

## Words

### Quote

Think twice before you speak, because your words and influence will plant the seed of either success or failure in the mind of another. Napoleon Hill

### Journaling

Have people spoken negative words over you? How did this influence your behaviour and thinking?

Has anyone spoken positive words over you? How did this influence you?

How can you encourage yourself and others using the spoken or written word?

### Technique Challenge

Make your own large alphabet or number stamp

The stamp part of the video starts at 2:13 minutes and doesn't last very long
