Dear Mrs. Kramer:

This responds to your letter to the Attorney General dated October 29, 2015, regarding your request for the prosecution of Justice Judith McConnell, Mr. Bruce Kelman, and others for fraud and discrimination against people with environmental disabilities. We apologize for our delay in responding to your letter.

The Department of Justice (the Department) enforces Titles I, II, and III of the Americans with Disabilities Act (ADA). We regret that the Department cannot open an investigation into the matters that you raise. Because of the relatively large number of complaints we receive, compared to our limited enforcement resources, we are unable to open an investigation of every complaint that we receive. Our action does not constitute a decision on the merits of your complaint.

More information on the ADA is available on the Department's ADA Home page at www.ada.gov. Additionally, the Department operates an ADA Information Line: 800-514-0301 (voice) or 800-514-0383 (TTY). Disability Rights Section staff is available to answer questions on the Information Line on Monday, Tuesday, Wednesday, and Friday from 9:30 a.m. to 5:30 p.m., Eastern Time. On Thursday, the Information Line is staffed from 12:30 p.m. to 5:30 p.m.

We hope this information is helpful and we regret that we cannot be of further assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read "Naomi Milton".
