Spring 2009

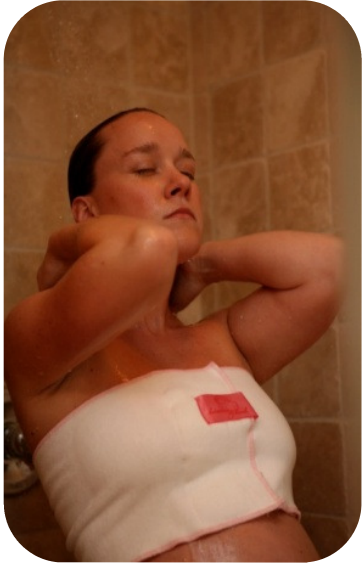

Baby Monkey

Baby Monkey is a brand of organic cotton onesies and toddler tees printed with designs that bridge fashion and humor with the principles of Feng Shui and an organic lifestyle. Each design promotes health, happiness, and prosperity. Baby Monkey also introduces Asian culture and Feng Shui to babies and children early in life so that beneficial chi (energy) can be cultivated from the very beginning.

Shower Hug

Showers are a welcome retreat. But pregnancy and breastfeeding can change that as shower spray can sting sensitive breasts and nipples. The Shower Hug by Belmama and Cherub is made of the softest, most luxurious knit terry velour to provide expectant and new moms with gentle bust line support, and to soothe sensitive nipples and breasts associated with pregnancy and breastfeeding.

Three Trimesters... A Journal to Motherhood

This is a unique and often humorous journal to help soon-to-be moms and their partners make choices and decisions that are as personal as the life they are creating. Designed to chronicle every aspect of pregnancy the journal is divided into three sections and also provides pages to help in choosing the right health care provider, keeping track of appointments, ultra sound and proudly growing belly pictures and much more.

Wett Giggles

Wett Giggles introduces its unique line of hygiene centered bath-toys. Your children can share the same excitement you once felt at bath-time, with Hamlet the Frog, Beatrice the Cow, Robin the Bear and many more new friends for your child to enjoy. The soap is handmade from natural glycerin, essential oils, and Shea butter. The toy couples as a manicure brush for the added benefit of your child's fingernails. What a fun, playful way to encourage great hygiene & have fun in the tub!

Sudz N Bubbles

Sudz N Bubbles designs are simple, yet very unique at the same time. Many of their soapy works of art depict delectable desserts, yet claim that they all taste like soap. The Peaches and Creme Pie Slice soap was recently seen on HGTV's hit show "That's Clever". All soapy creations are glycerin based with many other skin loving ingredients included.

Boca Beth

Being bilingual is no longer an option, it's a necessity! With fun and easy-to-use Boca Beth products, children sing, dance and play their way along a second language journey full of music and movement fun. Provide young children with a sound foundation in Spanish & English using Boca Beth bilingual music CDs, educating DVDs, books, puppets and musical shakers. You don't have to be a native speaker to introduce a new language to children during the early years.
