[JHJ Medical](#) is a Canadian manufacturing company committed to helping Canadians respond to Covid-19 producing quality medical and non-medical disposable face masks, Health Canada approved, at a competitive price. At [JHJ Medical](#) we share the core values of integrity, honesty and respect; qualities that are fundamental to building the trust of customers and to the longevity of a business. Despite any challenges we remain committed to our customers, partners and communities.

Healthcare Products

[JHJ Medical](#) uses the latest technologies and innovative systems to ensure the production of the highest quality. Buying raw materials cost-effectively translates to savings to our customers and allowing us to price competitively. JHJ Medical utilizes a streamlined business approach to delivering to health organizations and hospitals, Since our healthcare products are manufactured in Canada we have shorter lead times to ensure efficient deliveries to our customers in North America.

Made In Canada

We are one of the few Canadian manufacturers producing medical and [non-medical](#) disposable face masks. Our facility is setup up in the lower mainland, British Columbia, with the objective to create jobs for Canadians and to support our economy. Our "[Made In Canada](#)" label is recognized locally and in the North American markets as being reliable and of high quality. This is our point of differentiation compared to other companies that sell masks. By manufacturing locally we can also reach our markets faster and more efficiently. As we grow in different markets we continually innovate with purpose: high quality with a trusted Canadian brand.

Our Commitment

We are fully committed to manufacturing Canadian medical and non-medical disposable face masks at a competitive price during the [COVID-19](#) pandemic and beyond. Serving Canadians first is our priority and in recognition of front line healthcare workers, we are donating some of our face masks to help. Please email info@jhjmedical.com for further information. We are here to support each other and our community.

Orders

No order is too big or too small for JHJ Medical to fill. We pride ourselves as a Canadian manufacturer that supports companies, corporations, government agencies, and the general public. Please email sales@jhjmedical.com if you would like to place an order or if you have any further questions. A Zoom meeting can also be arranged if it is more convenient.
