(c) 2011

Pendahuluan

Pernahkan anda mendengar website BUKISA ? Mungkin banyak diantara anda yang belum pernah mendengar tentang website ini. Ya tidak apa-apa. Namun melalui ebook ini saya akan menjelaskan kepada anda apa itu BUKISA dan apa yang bisa kita lakukan dengan Bukisa.

Bukisa adalah sebuah website untuk sharing artikel di internet. Jadi di mirip dengan SVHOONG ataupun TRIOND. Walaupun ada perbedaan tentunya. Tapi prinsipnya sama. Kita bisa membuat tulisan (artikel) tentang beragam kategori dan kemudian di publish di Bukisa.

Hi, please [Log In](#) or [Log in via](#) or [Join now](#)

Bukisa

Lihat saja semboyannya : Learn, Share, Earn, Be Recognized. Artinya Belajar, Berbagi, Mendapatkan Penghasilan dan Di Kenal. Suatu motto yang sangat bagus menurut saya.

Tutorial ini tentunya tidak terlalu lengkap, karena saya memang akan menjelaskan secara garis besarnya saja.

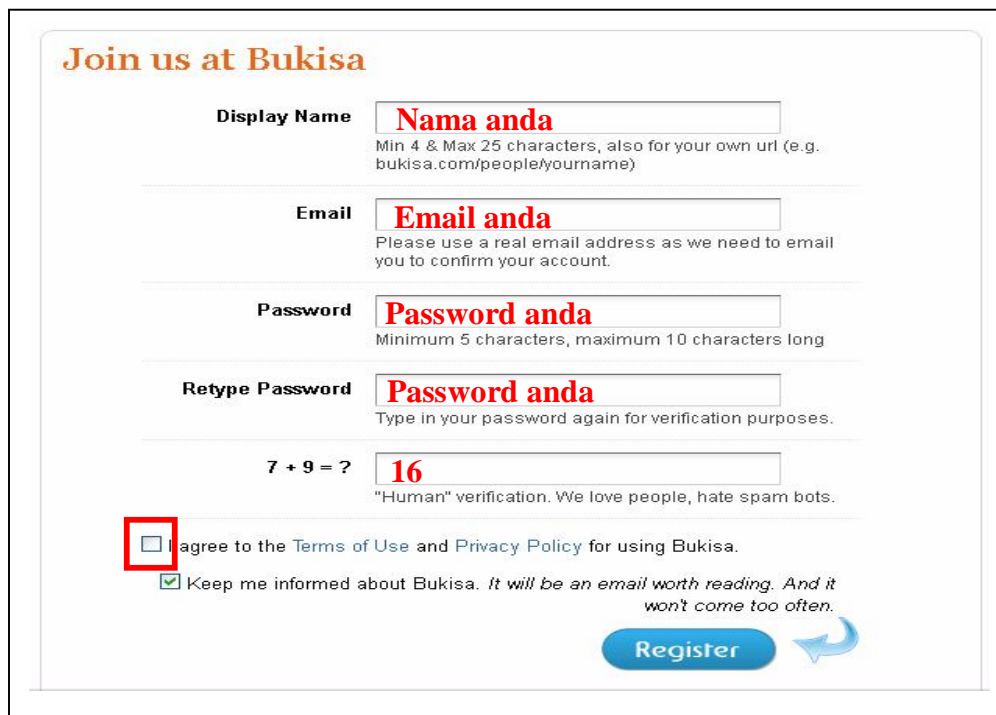

Mendaftar Bukisa

Baiklah anda bisa mengunjungi <http://bit.ly/o0EfCU>

untuk bergabung dengan Bukisa ini. Maka anda akan perlu menekan menu “Join” untuk bergabung dengan Bukisa.

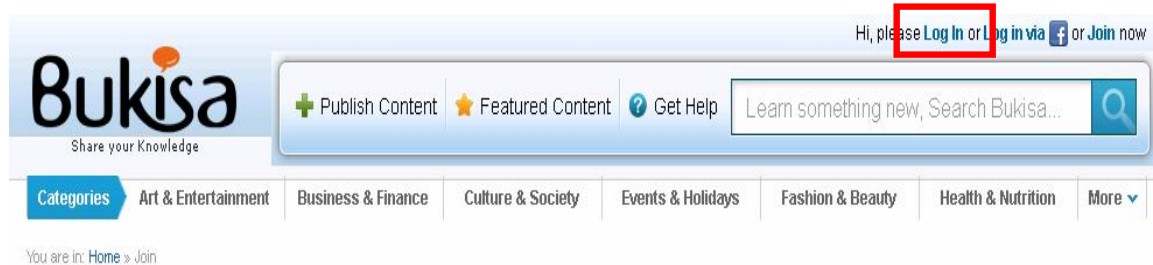

Setelah anda klik Join, maka anda akan segera mendapatkan tampilan seperti dibawah ini, dimana anda harus mengisikan tentang data-data anda.

The image shows a registration form titled "Join us at Bukisa". It contains several input fields: "Display Name" with the value "Nama anda", "Email" with "Email anda", "Password" with "Password anda", and "Retype Password" with "Password anda". Below these is a CAPTCHA field with the question "7 + 9 = ?" and the answer "16". At the bottom, there are two checkboxes: one for "I agree to the Terms of Use and Privacy Policy for using Bukisa." (which is highlighted with a red box) and another for "Keep me informed about Bukisa. It will be an email worth reading. And it won't come too often." A blue "Register" button is located at the bottom right of the form.

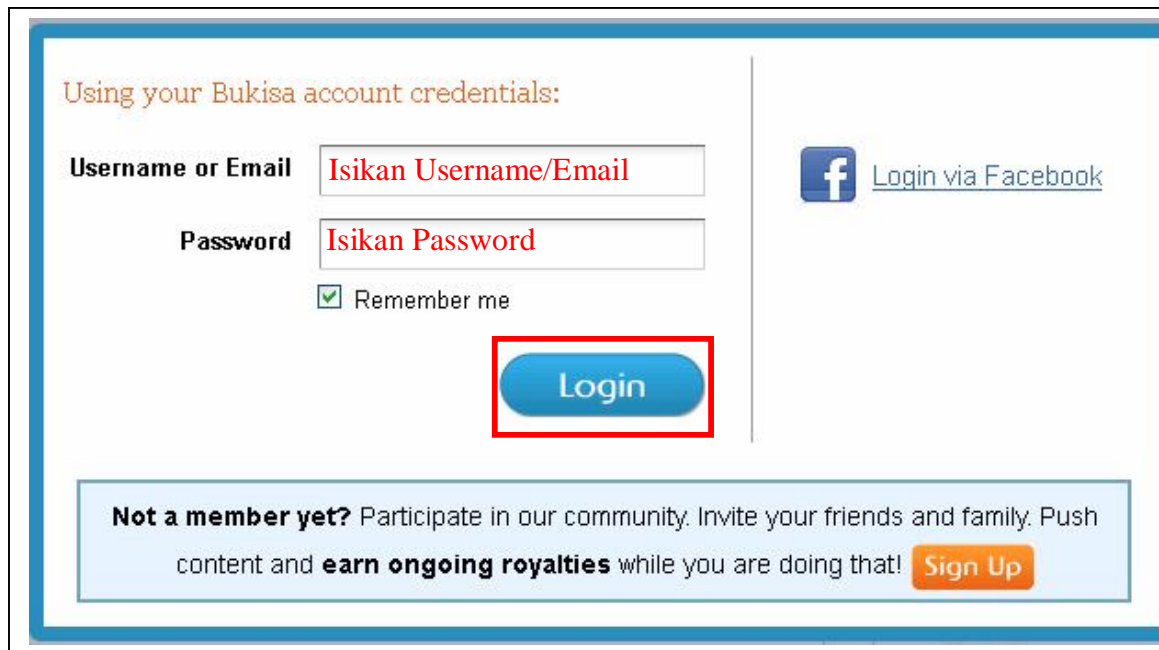

<http://mesin-uang.info>

Maka anda akan mendapatkan kiriman email dari Bukisa dimana anda harus mengklik link aktivasi yang dikirim oleh Bukisa. Setelah anda mengaktifkan link aktifasi dari Bukisa maka anda dapat Log In ke sistem Bukisa.

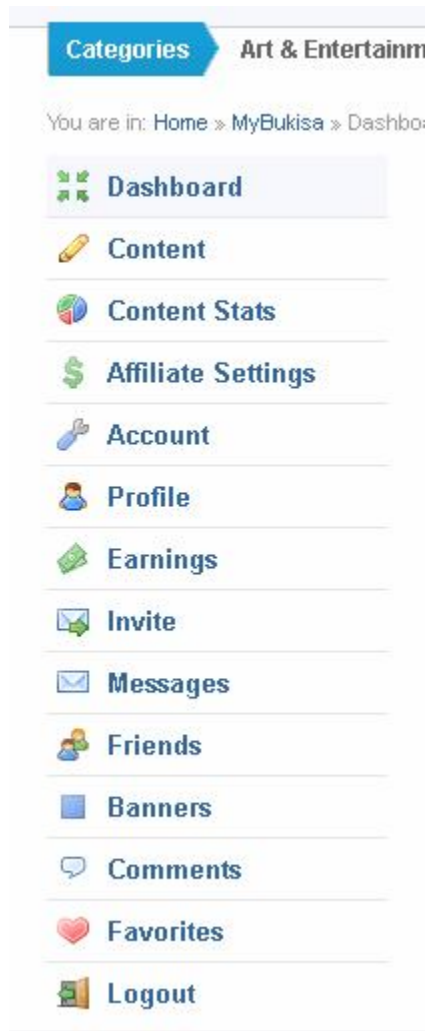

Selanjutnya anda akan mendapatkan tampilan seperti pada tampilan berikut ini.

Klik dimenu **Log In**.

Anda akan segera masuk ke sistem Bukisa. Adapun menu-menu pada tampilannya adalah sebagai berikut.

Nah dari menu ini ada beberapa menu yang perlu kita atur dan ada juga yang bisa kita biarkan saja.

Profile

Ini untuk mengatur siapa diri kita, email kita dll.

Affiliate Setting

Ini yang paling penting. Pada Affiliate Setting ini ada 2 pilihan yang dapat kita pilih yaitu :

1. Google Adsense
2. Chitika

Update

Bila anda telah tergabung dengan Google Adsense, maka anda bisa memilih Google Adsense. Nantinya pada artikel yang ditampilkan oleh Bukisa akan dipasang iklan dari Google Adsense.

Dalam hal ini saya akan memasang artikel bukisa dengan iklan dari Chitika. Oleh karena itu saya pilih Chitika dan saya masukkan username Chitika saya. Nantinya jika ada orang yang klik iklan chitika pada artikel Bukisa, maka earning akan masuk ke Chitika saya.

Mengisi Artikel

Untuk mulai mengisi artikel Bukisa, maka anda perlu klik pada menu "Publish a new : Article".

Setelah itu anda tuliskan judul tulisan (artikel), memilih kategori dan menuliskan garis besar tulisan dan terakhir menuliskan badan tulisan (artikel). Jika anda ingin mengisi artikel dengan cara copy-paste dari tulisan yang sudah ada, maka anda harus menyalin ke tempat peletakan khusus yang akan muncul secara otomatis.

Article Body

Setelah selesai anda menuliskan artikel, langkah selanjutnya adalah anda menentukan tags tulisan anda. Ini sangat penting untuk kemunculan iklan Adsense atau Chitika. Mereka menggunakan data tags ini untuk memunculkan iklannya.

Tags

15 tags left. Please add at least 1 tag, each one 3+ letters long.

Save Draft Publish

Klik pada “suggest” agar tags akan muncul dibawah kolom. Jika tags sudah muncul, maka kita harus klik tags itu supaya masuk ke dalam kolom tags. Setelah semua beres, maka terakhir klik “Publish”.

Contoh Artikel di Bukisa

Berikut adalah contoh artikel yang telah ditayangkan oleh Bukisa. Anda bisa lihat bahwa artikel tersebut secara otomatis akan ditambahi dengan iklan dari Adsense atau Chitika secara otomatis.

<http://mesin-uang.info>

The screenshot shows the Bukisa website interface. At the top, there is a navigation bar with the Bukisa logo and the tagline "Share your Knowledge". To the right of the logo, there are links for "Publish Content", "Featured Content", and "Get Help". A search bar is also present. Below the navigation bar, there is a breadcrumb trail: "Other categories > Health & Nutrition > Diseases & Conditions".

The main content area displays an article titled "Antisocial Personality Disorder" by user "irmarosita", dated "Sep 25th, 2011". The article text begins with "Mental Disorders words and psychopath then began to appear in the trial lawyers raised by Ryan. Unfortunately, the use of the word psychopath is not entirely appropriate in terms of diagnosis of mental disorders because these terms are not recognized in the diagnosis of mental disorder." A red arrow points to the word "psychopath" in the text, with the label "Artikel anda" next to it.

Below the article, there is a sidebar with a user profile for "irmarosita" who has 32 articles online. The sidebar contains several action buttons: "Report content", "Republish Article", "Print", "Add to favorites", "Author's RSS", and "Add as friend".

At the top of the article content area, there is a red-bordered box containing three advertisements. The first is "HCPlive.com Depressior" with the subtext "Keep up with recent developments in Depression research" and the URL "HCPlive.com". The second is "Knowing your Personalit" with the subtext "Most detailed Personality Assessment on the Internet" and the URL "personality100.com". The third is "Natural Anti-Anxiety" with the subtext "Powerful Neurotransmitters Aiding Overall Balance,Anxietol 7." and the URL "www.bodestore.com". A red arrow points to this advertisement area with the label "Iklan Chitika".

At the top right of the page, there is a user menu for "Hello irmarosita" with a red arrow pointing to the "Content" link. Other menu items include "Content Stats", "Inbox (0)", "Account", and "Log".

Note : pastikan anda telah memasang Adobe Flash Player. Jika tidak iklan tidak akan muncul.

Untuk melihat tabel / daftar semua tulisan-tulisan kita di Bukisa maka kita dapat klik "Content" disebelah username. Maka akan ditampilkan daftar artikel yang telah kita buat.

The screenshot shows the 'My Content' page on mesin-uang.info. The page has a navigation bar with categories like 'Art & Entertainment', 'Business & Finance', etc. A sidebar on the left contains menu items like 'Dashboard', 'Content', 'Content Stats', etc. The main content area is titled 'My Content' and displays a table of articles. A red arrow points to the title 'Canon Legria Hfr26, Simple Yet Powerful'.

Canon Legria Hfr26, Simple Yet Powerful

Sep 23rd, 2011 by mohibnumalik

Two main features of the Canon camcorders output Legria this latest series is the video quality of High-Definition (HD) and touch screen for the menu. HD video for its use 2MP Full HD CMOS sensor, allows users to get HD video and color quality even in poorly-lit atmosphere conditions.

WHEN is the need for greater digital documentation, whether it be video or photos. But at the same time consumers do not want a device that complicated and confusing. Perhaps for this reason that Canon launches new camcorder products, namely Legria HF R26.

Two main features of the Canon camcorders output Legria this latest series is the video quality of High-Definition (HD) and touch screen for the menu. HD video for its use 2MP Full HD CMOS sensor, allows users to get HD video and color quality even in poorly-lit atmosphere conditions.

The touch screen on this camcorder is a hi-resolution LCDs measuring 7.5 cm. As has been okezone try, the touch screen on the camcorder is quite soft to the touch, not too sensitif, a common problem that sometimes the touch screen to make users 'excessive' to navigate in the menu bar.
