Dear Mr Jefferson,

**Freedom of Information Act (FOIA) 2000 – Information Request -TWC-43671**

Further to your recent request, we are pleased to be able to provide you with the information you require, see below.

Please kindly provide a list of council-run buildings (including Libraries, Day Care Centres, Community Centres, Schools and Administrative bases) which your Council has had to close since 2010. Please provide the name of the buildings and the postcodes of the buildings. Such closures would include those where people have to seek the same type of service from a different location\* which already exists (or maybe there is no alternative available). \* If there are any scenarios where a service provision is not closed but relocated across the road to another council building I don't require information on that. I require the list to include buildings closed and disposed plus buildings that are re-let following service closures.

**We have not had to close any council buildings since 2010 due to Government cuts. Buildings have closed, but they have been part of the corporate property strategy and a rationalisation based on efficiencies.**

If you are not happy with the information you have received, you have the right to appeal. Please send us the reasons for your appeal to the above address and mark for the attention of Information Governance, Freedom of Information – Appeal on or before **17/01/2017**.

Please remember to quote the above reference number in all related correspondence.

In the meantime, if you have any other queries then please do not hesitate to contact us, details above.

Yours sincerely,

Kelsey Robson
