

Summer Two-K-Twelve

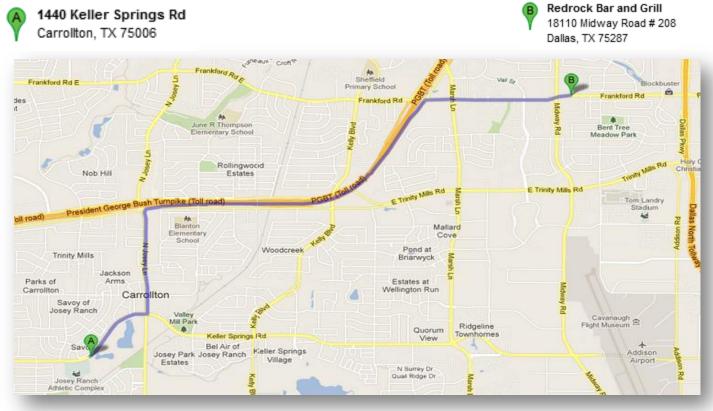

Summer is here...and kickball is back in full effect. Don't forget to check the rules and game checklist on the next page to get ready for tomorrow.

Welcome our two new teams, Kickalobe Ultra and Balls & Dolls to TX Freedom!

*Teams and refs must show up on time to avoid forfeits.

THINGS TO KNOW THIS SEASON:

- 1. Go to <u>www.facebook.com/txfreedomkickball</u> and "like" the page. Activate updates for game updates, pictures, and our league newsletters.
- 2. Bring water! Your team should be organizing an adult-friendly game punch to drink from solo cups, but also stay hydrated with a little water to even things out in the heat.
- 3. Take pictures. Your team needs to send a minimum of five good pictures from your team (game and bar pictures) to <u>sarahwalser@gmail.com</u> before each Friday. These will show up on the facebook page and newsletter.
- 4. Bookmark the kickball website: <u>www.kickball.com/txfreedom</u> so you can look at the game schedules and newsletters. Check there before bugging your captains.
- 5. Keep your smiles on the field and love your refs! Remember, your refs are volunteers, nobody on the field is a professional, and only your captains can represent your team to dispute a call.
- 6. Mark your calendar for the midseason party with free beer on June 29th.
- 7. Come to Red Rock's after every game! It's close to the field, we have awesome drink specials, and Boozie the Bargames Championship Trophy will need a new home at the end of the season. Your team will earn points just for even showing up to the bar this season!
- Bar Specials: Drinks: \$2 any domestic beer, \$3 well drinks, \$3 WAKA Bombs, \$4 Crown and down Food: \$3 Chips and Salsa, Onion Rings, Bowl of Fries \$4 Mozzerella Sticks and Taquitos \$5 all other appetizers
