

Dear Lee

Thank you for your information request which Mid and East Antrim Borough Council received on 19th October 2016 and your further email of 28th October 2016.

Please note that Mid and East Antrim Borough Council has only been in existence since 1st April 2015. This response, therefore, is in relation to that time frame and I can confirm that the Council has not closed any Council-run buildings since that date.
