Re: *Jones v. AstraZeneca, LP, et al*
C.A. No. 07C-01-420-SER

Dear Counsel:

After carefully considering defendant, AstraZeneca Pharmaceuticals, LP's Motion in Limine to Exclude the Medical Causation Testimony of Dr. Susan Zweig, the Court has determined that the motion must be granted. In the absence of competent expert testimony regarding specific causation, the Court has also determined that it must grant the defendants' motion for summary judgment in this case. A written opinion will follow shortly at which time the judgment for defendants will be final.

Very truly yours,

Joseph R. Slights, III
