BRIEF INTRODUCTION - THE URGENCY FOR YOUR SUPPORT IN A LETTER

I the St Paul - YOURS, TODAY AND EVERYDAY IN CHRIST JESUS

Greetings in Christ Jorge,

Do send my love to all as for those who read this letter and those detailed as attachments to this email.

As Mother Angelic on EWTN quotes "What a wonderful thing our Church is, the whole thing has been built on trust" I like to add of course "and love" and so from the top down through to hospitals and schools, what a wonderful system that has been established and yet with our enemies joke of an interference and we are still victorious.

Oh don't get me wrong as if I am being ignorant to the facts or to presumptuous, for no I am being so straight forward and realistic, that, not even a freight train 100km long and out of control at top speed could stop us for only we can stop it now, they were so powerful.

So I need a letter, in brief will suffice and immediately by Monday my time, for a more formal letter can be drafted and sent by the end of next week.

Read all files attached and you will discover why, for come Monday I either submit to Mr Nick Bradford and they place me against my will back in hospital for the last time was on false accusations also in 2010 when I started to see light at the end of the tunnel and just after I moved from my Mothers care after recovering from a severe spiritual attack and nerves breakdown at the hands of the harlot chamuel, yet still attacked daily, it all began in 2004 based on a lie to see me admitted to hospital in the first place only to have the medication collapse my mind after nine (9) days to then be in a terrible state and have to begin the long fight back to both physical health and seriously mental health, I am sure you can appreciate the seriousness of the mental side for my fight to date.

The letter need not state that you give me full 100% unhindered support, no, just what you understand, along with all that have been involved for US up to date including anything such as communication with the trouble making filth chamuel, i.e. The Sun & The Moon or any other so called angel of God Most High guiding Vat Central in her walk for the trinity and growth.

The formal letter can detail far more if you wish but the initial letter will be enough to hold the wolves at bay that are seeking my downfall again only that I should have to fight back.

When last in hospital the coward satun managed to remove Jesus from my heart and what pain it was in, I went to sleep thinking I am done for, it is all over, only to wake the next morning to my surprise and say out loud "you can't kill me then hey satun, well I can kill you off now, onward Christian soldier no retreat no surrender, no looking back, always striving forward to the ultimate goal of a Christ conquered planet, stop me if you can evil realm, stop me if you can!", mind you we worked something spiritual out and of utmost importance about jezebel and the heart in this situation, never let an opportunity go by that can serve the greater good, try and make anything and everything to serve the Godly.

I have been in total secrecy, not even our local Bishop Peter Ingham whom I know quite well to joke with and in general conversation, he knows not of what I have been up to, same for the priests of the local presbytery as I joke and have good discussion with them, always reminding them of a huge secret I possess that will be out in the open soon, they are patiently waiting, something I certainly have learnt to be is patient and how to store it up.

Peter remembers my name via way of visualising St Paul, we read his mind, as I told him Paul is my patron saint, it was going to be Peter but I changed my mind at the last minute, allah is also the chicken, rabbit, horse and mainly the pig, we have a large poultry company here named Ingham Chickens, they supply to KFC and yes Peter is killing him off, there are so many around the world in various roles in society that they chose to be for support against me but fools, we out played them as they are all special.

They believed that we had all fallen, that jezebel had control of everybody but no, for when I turned in spirit in 2012 to seriously start fighting for Christ then all turned with me and were ready to start picking the cowards off, as I have been born into a sinful world twice now so too the following is true for each time "Once I was Saul, but Now I Am Paul" always striving daily to be a better stronger Paul.

Believe it, for it is so very true, John Lennon of the Beatles is The John of the Gospels and Mother's Protector, as he was woken many times only to be blocked again in mind that when it came to my turn to begin, John was killed as a warning to me that the same fate awaits me if I don't conform to the scaly wag cowards but my mind (15th May 2001 the start of the fight on my person and within my spirit) was unblocked completely that made them all to be on the back foot on tippy toes and causing apprehension and doubt knowing full well that God knew exactly what jezebel was up to, so thus, then jezebel thinking, what else does God know.

I will add back in approximately 1997 with Bishop Phillip Wilson presiding I installed the ground floor security system as Cleary Security Services Pty Ltd trading as Cleary Security & Electronic Services at the Wollongong Presbytery with some clients knowing of my spiritual fight back then, I draw reference to the letter of Stephen Burnes, so when I am out in the open there will be past associates who will no doubt come forward to find out just what has happened to me for I walked away from the financial trap then to fight on my terms to be on the downhill run on the victory road right here now.

Believe me so, I am looking so forward to being within the gardens & walls of Mother Church and in control not of you Jorge or Cardinal Edwin F. O'Brien as Pope Paul VII, Pontificate 267, but, to see to the final destruction and elimination of the evil realm that they now be officially extinct, it was always about their extinction as they wanted and were planning of US, for they are so dangerous still even without no power that they can build it up again and whilst locked away in sheol, the locked away part in Revelation was just to appease satun that he still lived and had a chance to come back so partook of & entertained the unknowing trap, for he is so scared of dying himself and thus the following is so, anything that has life is scared of losing it.

Please don't think, how cruel or say that God is or for me to be placed in such a huge risk and frightening that it must have been, I would not have taken the risk, not one of US if it was not absolutely perfect, **and I mean absolute**, for all thus said is most certainly very true, it was

foreseen that jezebel finds my grandfather Vincent Paul Cleary by chance during WWII in France, we could of changed his path in life but no, for it was her plan to eliminate US that was the perfect plan to eliminate them, the only thing was, it could not have been conceived from a Godly mind but had to have been from a wicked mind and then all who had to return had to be of a certain special character that tempted the devils realm in this life that they hated in the previous life for if not then what was foreseen would not take place and so the fight goes on forevermore, never to end.

I am sure that Jesus still has the view of reinstating you as Pontificate 268 for I have not heard of otherwise, he will instruct you Jorge, besides the fact, whilst not our selection you are specially planned to be killing the beast of Revelation, stupid as they are, but hey, let them think they are in control only to then find out the facts and yet they persist to their own doom to believe that they still have a chance, fools, damned fools that they are and so very lucky that we all are.

There is four (4) to the Godhead, the Father, the Son, the Holy Spirit and Love, yet Fathers Love is so intense but we have not Love without the Goddess Keminuelle, God of Man Formed From the Earth = Strength & Might who is Jesus & Father and God of Woman Spiritually Created = Love & Power it is Keminuelle & I.

With Mother and Joseph added, for Mother is the Person/Woman of Grace & Compassion and Joseph is Gods Man of Architecture thus design & construct.

Please note; the situation for Keminuelle appearing as stated in the letter to the Wollongong Police – Sergeant Kierse.

The grace of Christ Jesus the Lord, the love of God and the fellowship of the Holy Spirit; be with you all.

I await your favoured reply Jorge.

Take Care, Be Safe and Always Remember,

In God We Trust.

Yours Truthfully,

St Paul - The HOLY SPIRIT.....!!!!

Conqueror For Christ.....!!!!

Victor For Love.....!!!!

PS

Ask yourselves,

Just exactly were is all this information coming from that I can contantly keep producing, am I listening to the loser devil or are Angels, Jesus and God guiding and supplying me, it is obviously not the loser devil.

So then the obvious is so very true,

I am at risk, well more than certain, of my souls destruction that will be decreed by Father God for causing a whole pack of lies resulting in humans to fall - this goes without question.

I AM:

St Paul the Apostle to the Gentiles, and he who is the Holy SPIRIT

The Person Who Is JEHOVAH

The God behind the Protestants'

The Designer of the Woman's Body and Their Rightful God but not The God their creator.

Woman Are Spiritually Created, the fourth rib, Man being of the dust of the earth.

YAHWEH –

Father Yussel his personal name, He is God of Israel and He is the Creator of Humanity, The God and Only God and I am his brother, we formed side by side.

I created this dimension we are in, it is called The Universelus and can house an infinite number of Universes within Empty Matter, whilst in each Universe all planets are suspended, in extreme brief by the Holy SPIRIT, held together by Dark Energy, there is more to the makeup of Dark Energy and Empty Matter and then the other Matter and Energies, these will be made know, the exact make up and properties of the Universe when I am free of satun and have clarity with God, truly it is not more than a week or two, I certainly can use a little support to help finish my fight off but most importantly the letter and the obvious, notify Bishop Ingham being the next move and right decision, no one else need know.

Ask yourself, exactly what, is the logic here:

Did God make the Holy SPIRIT to be an entity on his own, why, let us assume that Father is the sole Holy SPIRIT in soul meaning I came from him then there is really no need for God to create a separate entity as the gift bearer for this then means that Father would be able to control everything himself, thus, there is no need for a separate person who is the Holy SPIRIT from his SPIRIT, unless God wanted an independent thinking genius of course but no, I am not God from God for Jesus is this person who is consider his flesh of flesh and is the only person who can be his next of kin to him in right, so his son.

England is mine as are All the Celtic Peoples, Caucasians Are Our Initial Creation.

YAHWEH's Pomp is The Church.

JEHOVAH's Pomp is The British.

So in short,

The evil realm are messing with my creation and accusing them of being evil saying that they are temptresses causing men to fall when the spineless cowards demons are in them, jezebel was in Eve then Adam, she did not know that we knew, satun said to God with me hidden for it was foreseen, **"Test woman, for if they cause man to fall then I am God of the Woman and you are God of Man"**.

It always takes two to tango and there is always two sides to every story, you want to dance with my creation stupid realm then I'll make you dance for me at your own peril - You Picked on the Wrong Person in Me You Soon Extinct Morons – IT'S PERSONAL – VERY PERSONAL!

What God is a God if he does not fight for his creation!

Momma's Immaculate Conception:

Jesus existed only in spirit, within Fathers soul, all that is, was created for Yeshua, when Mother was in her fertile time at the right moment with Father standing over Mary in a garden whilst she was resting and dozing within her natural beauty then Father breathed the spirit of Jesus into Mother's stomach that it moved and settled in her womb and fertilised Mother's egg.

Jesus was created of the Holy SPIRIT that he be of my power, Fathers might and he became strength in his own right, for I am so powerful that it made Jesus extra powerful, his Aura was pure gold with a deep black spirit to his soul, his body, when on the cross and suffering in breathe Yeshua looking down upon all and thought "Why? Why?" thus I was a good person and healed you, I taught you, I am your Messiah and Gods Son, "Why".

So yes, Jesus is a part of me but he is Father's Image, and Momma of course, I, as the SPIRIT, give to those deserving of such special gifts, now Jesus and Father are separate in me, yet still me but not for it is now them that they have developed their own Holy SPIRIT from the worship that they each receive, likewise is for Keminuelle and Love in each for Kemi has become Father's & Jesus own form of Love in feeling, masculine love as Jesus is masculine grace though Mother Mary be the person who is Grace, Woman of Grace but none can have either Love or the Holy SPIRIT without Keminuelle & I first to give the gifts, Jesus, Father & Mother and their Love is such an Intense Love, Gods far more though, that Kemi & I have to play catch up if you like, yet never be able to catch up.

Momma Christos wants me to add for the letter Jorge,

That she was 17 years of age when she conceived and 18 when Jesus was born, not younger, for God would not entrust his son to a little child or a teenager or a little girl for that fact but ensure she is a young woman of maturity or in Mothers case a young lady, it grieves her so that some believe 12 years of age, this is crazy lies of the evil realm to be pregnant at such a young age, a

little girl, a little child in mind and not a young woman, how arrogant and male chauvinistic is this attitude to even believe such and to poison the world with the devils lies out of the Church, what God as a so called muslims supports child brides and rape as young as 6 years old, and you don't put one and one together for all the paedophilia that the devil is causing in The Gods Church and only Church trying to destroy her, what that they aren't possibly linked, what that these cowardice pathetic devils of priests with bodies riddled with demons standing behind Our Tabernacle at Gods Alter dressed in shepherds clothing should be allowed to remain Priests even after being removed from the Mass, what you don't see them for exactly what they are Ravaging Wolves in Shepherds Clothing so the devil dressed as Christ, seems a lot like little red riding hood don't you think – Shame On You – Shame On You All Who Don't Have Them Excommunicated or Even Hung but God will be their judge, not so, the grave will be for that is it for them a grave and that is the end of them, so yes the mongrel lowlife evil realm have caused many a soul to fall whilst trying to destroy Our Church so that his slowly grows to be the greater, what's next, the whole world begins to see Jesus as of being of the devil in beelzebub and so become muslim now under one so called God and The Trinity is Eliminated, well thank you men of the Church without courage for helping satun, allah and jezebel, thank you all so very much.

It is one thing to commit these terrible heinous crimes, these despicable acts, this evil against children in society, it is a far greater evil to do so in Gods Church, for this is in form of an act of war being perpetrated against God as if an evil enemy seeking his death with the intent of his Churches destruction.

It is in fact a far greater crime committed than against the child, as terrible as it is, for this evil is an evil committed against God himself to his own elimination as is the plan and not evil's elimination that caused it to be left in his house, what, that the evil should be seen as supported and the Church uses some excuses that she loses respect thus God loses respect and his rights are forgotten.

Judas,

He sure did betray Jesus but he was setup and deceived in thinking and thought by Momma's brother, who joined jezebel, for Jesus was accused of casting out demons by beelzebub so as Jesus did not bring himself down from the cross and with the arrogant pig headed allah moving amongst all, his words as was told to me to frighten me "call yourself God Jesus I will show you who God is" and thus drove all to the cross so by their own stupidity the thing jezebel perfected being the cross and specially for Jesus turned out to be the greatest weapon against the evil realm in the form of Love, they destroy themselves.

As Jesus did not bring himself down from the cross, caiaphas said to Momma "see I told you your family was evil, your son couldn't bring himself down from the cross and look who turned him in for 30 pieces of Silver" then to Mothers surprise "and it was your brother Jacob who set him up to realise the obvious, we knew who he was from the start" Judas was of Mothers Tribe.

I will leave you to ponder three (3) parts to the mass, that we of Mother Church say for a specific reason;

1.

Glory be to the Father, and to the Son and to the Holy SPIRIT. As it was in the beginning, is now, and ever shall be, world without end. Amen.

2.

“Who is” - God - that walked up to Father Abraham - Father Yussel, He Is God.

“Who was” - God - that walked with his disciples - So The Past Tense in Christ Jesus.

“Who is to come” - God – that is me walking the earth - The Future Tense in the Holy SPIRIT.

3.

Blessed is he who comes in the name of the Lord. – THAT I DO!

Further to my support,

Mr Tom E. Hawker, during lunch today, God enlightened me to the fact that I told many about my vision for they played the devils sympathy card to get me to stay, at a guess I would say 20 to 30, you may search my old customers list for an interview, two main people I can recal is Bishop Phillip Wilson and Fr Shaun Cullen who was the go see person in relation to all security issue in the Presbytery.

The lower inserted picture is of a person I know quite well so to my Mother, so to Stephen Burnes, a former councillor of Shellharbour Mr Tom E. Hawker worked for me at the time of my vision and he is a devout Catholic, all his children (5) attended the Catholic education system and they life in the area of and attend St Paul’s Church, Albion Park, regularly, so shocked that he will be soon when I reveal who I am.

I asked Tom at approximately 8:00 pm this evening if he remembers why I left the business and about my vision, without pausing or gasping for a breathe he answered yes immediately, that is, not even having to think about it as with Steph it is different, he was too busy to talk after just arriving home and wants me to phone him tomorrow at his office after 10 am, I went into detail with Tom about it for he was enthralled with what I was saying and even commented “How do you know it wasn’t the devil telling you to sell up or something” my reply “for I am stressed, under pressure, spiritual things are happening to me that make me worried and I can see that I am headed into a trap that I will fall” now besides the obvious Tom “God works wonders and miracles through those whom do not conform to the world for satun cannot use them to build his system”.

I am sure,

I also told Tom that I will return and we will see what unfolds for I am sure that I will need his help again, well God will need his help was my comment.

I wrote as talking to Tom, immediately in my excitement **“He Remembers My Vision!”**

This letter, as you can appreciate from all the documents supplied with the email including this letter Jorge, is required in my support hence our Facebook correspondence following.

Please note,

That this document is not to be used for media at this current point in time and all who receive a copy must not never ever release this information, for much planning is required yet not to forget the hurtful and hateful ramifications of making this document public in particular to average everyday peaceful Moslems and those that have bottled up anger who will become enraged as a result of information noted on my Facebook pages let alone the violence that will result from radical Moslems.

Peace should always be sort and considered as the most desired result, thus the optimum at all times for the consideration of the innocent public in particular in Christian Western society and those Christians currently suffering oppression in Moslem and other nations.

Bear in mind that this document is a political and media hot patoto.

Greetings Jorge,

Beloved in Christ,

I forgot to make note as to who Father's choice is for Pope 267, as ideal as it has turned out, and please pass on to Paolo not to feel too bad about his error for upon leaving the cafe it was told me that you said, maybe you will be Pope one day we will see, it was Jesus and the vision was he fails and it is an Irishman, this I did not mention that all our planning leads to the now, so it was meant to be Paolo.

Well I was hoping it be an Irishman but he is only in name for his current training and background in terms of birth and the Protestants to bring America together is perfect.

It is to be Cardinal Edwin F. O'Brien so too being a fighter, as he is from the Bronx and the US forces.

Yes thank you and likewise to you Jorge, typing this current reply on my tablet laying down as you just messaged me.

Please Jorge,

I can understand your nervousness but do not be of such for I am but still a man yet special that I am, well so special, I am looking forward to my power and my deep voice that will make some to shake at the knees if I intend so.

Do tell me, do I have your support for mine is not to demand, will or order change to my own liking and desires in Mother Church, no the voice of the most high shall herald this in if not Yeshua himself.

If I have your support I do desire of urgency a letter and most certainly indeed not for the public's viewing for much needs to be discussed and organized before the media should get wind of our correspondence thus knowledge of who I am besides it is business as normal with you as captain of the unsinkable ship until which time Edwin is appointed.

****END****

I do not lie, I state the facts based on what I am told and the visions I receive, and I am most certainly being deceived by the spineless worms of the evil realm around me so may get things wrong a little but will always correct my mistake.

I do not and never will give recognition to evil or classify them as worthy opponents by capitalizing words to describe them, I will give evil no heading of authority whatsoever nor to even recognize such openly that all can see, no, rather I will let the devil know at all times just exactly where he stands with me and it is too his peril, me hunting him down to finish him off and not he hunting me, the damned fool is so confused, **damned if I do and damned if I don't**, meaning, damned if I leave Christian to go out in the world and damned if I don't for he will kill me off staying around him, for you see, he has lost some much trying to get me and even trying to stop me, thus kill me, he is dead either way, tempts himself to his own destruction thinking he can defeat us and get the lot, he believes his own lies he tells himself let alone the ones I tell the mongrel idiot.

The mongrel is in your minds causing you doubt, do not ignore my facts presented or my attitude towards the coward devil.

I confront him with head on attack for this is the best form of defence and attack, do not be under any false illusion that I could be from him or that he is controlling me the spineless

wimp, the little weasel that he is, it causes me to question the motives of those causing me trouble and by questioning me from a distance and not face to face to defend myself.

I mean, let us face the facts are there more in the world just like me or will there be another just like me, thus, so hell bent on revenge against the evil realm and so bold and brave as me saying what I do, do you think God will be forgiving of me or that Jesus will be if I am lying, **no it is me and only me and I AM exactly Who I Say I AM and Father God supports me more than 100%.**

Do not be fooled or mistaken for I want the evil spineless cowardice realm dead, all so very dead and a completely Christ Conquered World and I will have my way; it is only a matter of time.

Thank you, Peace in Christ.
