## NEXT MONTH... TOP 198s

**Corrections...** We received feedback from Barbara Fox and Jack Wolff of New York regarding the reference to Gerhard Grossbeck being "deaf and dumb" (page 66, October/2000 POWERLIFTING USA), with Jack indicating the appropriate term is deaf and mute and Barbara commenting "In all my years with dealing with the deaf community, I have never come across a deaf dumb person, only ignorant hearing people who don't understand." You have our apologies Gerhard. Rick Neurohr deadlifted 435 at 132 in the Pittsburgh Monster BP/DL meet, which was not reflected on the TOP 100 list for the Featherweight division. We do make errors in our compilation of the various ranking lists we publish, however, in some cases we were not able to obtain a copy of the necessary meet results from the meet director, and occasionally the meet results contain errors. We apologize for any errors that our readers find in our competition reports or ranking lists, or anywhere else in the magazine, regardless of the source of the problem, and we encourage you to please send any corrections to "PL USA ERRORS" Department, Post Office Box 467, Camarillo, California 93011. (Sometimes, it takes a while to verify the correction before it is published)
