For standard 220 lb/ 100 kg. USA lifters in results received from December 1999 through Nov. 2000.

PL USA Top 100 Achievement Awards

Powerlifting USA TOP 100 Achievement Certificates are printed in Red and Gold ink on exquisite paper, embossed with the gold seal of Powerlifting USA Magazine, and signed by Mike Lambert. They specify your name, TOP 20, 50, or 100 ranking division, weight class, and actual numerical ranking in your class. The price for this documentation of your achievement is \$6. We also offer a wood grain plaque with a clear cover, ready to hang. The certificate and display plaque are available together for \$21.95. If you have appeared on a TOP 100 list, you are eligible. Send your name, street address, weight class, lift, date it was made, the amount of weight, and the list that your name appeared on. Send \$6 per certificate or \$21.95 for certificate and deluxe mounting plaque, payable to Powerlifting USA, Box 467, Camarillo, CA 93011. (CA residents - add 7% tax).

NEXT MONTH... TOP 20s

Corrections... Leonard Lense did not receive credit for his 606 lb. squat in the TOP 100 listing for the 198 lb. class. Scott Albano's squat of 707, bench of 462, and total of 1771 were not listed on the TOP 100 198 lb. class list as well. Jeff McVicar's 470 bench press was not listed on the TOP 100 198 lb. list either. In the report of the AWPC World Championships, Greg Foster should have been listed in the 45-49 age group, rather than 40-44. Willie Wessels has indicated that his wife Dione qualified for the AWPC World Championships as an alternate, when the opportunity for an alternate to compete in her specific weight division arose. We do make errors in our compilation of the various ranking lists we publish, however, in some cases we were not able to obtain a copy of the necessary meet results from the meet director, and occasionally the meet results contain errors. We apologize for any errors that our readers find in our competition reports or ranking lists, or anywhere else in the magazine, regardless of the source of the problem, and we encourage you to please send any corrections to "PL USA ERRORS" Department, Box 467, Camarillo, California 93011. (Sometimes, it takes a while to verify the correction before it is published)
