Now on to the fun stuff !!

The completed Pea Babe made by Emil is shown in the top pictures. It will be about 15 cm (6 inches) high.

~~~~~SUPPLIES~~~~~

~For the pictured Pea Babe Emil used Katia Nilo and Marks & Kattens Bianca but you can use any fingering weight yarn (example 50g/170-180m

per skein) You will need lime and peach yarn. (also a contrasting green for the leaves)

~A good choice of cotton yarn is Sandness Mandarin Petit or Dalegarn Cotton or Ornaghi Filati's Echo

~Or you can use any other yarn you like. Just make sure to adjust the size of the hook and use bigger or smaller buttons for the eyes as needed.

~ 1.75 mm Inox hook (US size 4) (or the correct size for your yarn ~ you want to make sure that your crochet stitches are fairly tight so that your stuffing does not show through)

~ stuffing

~ buttons or beads for eyes (Emil used 9mm safety eyes)

~ The model in progress was made by Zodwollop using a 1.25 mm clover steel hook and two strands of acrylic punch thread (flesh and icy green).

~ yarn needle for sewing pieces together
