

## LITTLE MERMAID JR. – COSTUMES

### Princesses

**PRINCESSES** are suppose to look like royalty and dress the part from head to toe! Each princess should wear an appropriate ball gown (at least ankle length), ballet-type flats and provide her own crown. The gowns can be costumes, age/audience appropriate prom dresses (full skirts, no cutouts or slits), or bridesmaid's dresses (full skirts). The fuller and puffier, the better!
