For standard 132 lb./60 Kg. USA lifters in results received from SEP/06 through SEP/07

PL USA Top 100 Achievement Awards

Powerlifting USA TOP 100 Achievement Certificates are printed in Red and Gold ink on exquisite paper, embossed with the gold seal of Powerlifting USA Magazine, and signed by Mike Lambert. They specify your name, TOP 20, 50, or 100 ranking division, weight class, and actual numerical ranking in your class. The price for this documentation of your achievement is \$6. We also offer a wood grain plaque with a clear cover, ready to hang. The certificate and display plaque are available together for \$21.95. If you have appeared on a TOP 100 list, you are eligible. Send your name, street address, weight class, lift, date it was made, the amount of weight, and the list that your name appeared on. Send \$6 per certificate or \$21.95 for certificate and deluxe mounting plaque, payable to Powerlifting USA, Box 467, Camarillo, CA 93011. (CA residents - 7.25% tax).

NEXT MONTH... TOP 148s

CORRECTIONS ... John Sanders should have been credited with a 715 bench press, and Jared Menne a 740 bench press on the TOP 100 for the SHW class, from their performances at the Power Palooza Meet on April 22nd, 2007. In the report of the Iron Gladiators meet in Olympia, WA on June 9th, Henry Higgins was noted as setting a Masters 54-60 148 lb. world record, however, it was actually his father, David Higgins, who set that record. James Ritchie should have been credited with a 660 bench press (rather than the listed 665) on the TOP 100 for 275 pounders, and on the same list Craig Stutes should have been credited with a 2210 total, rather than 2200. If you find errors in our ranking lists or in the competition results that we publish, let us know at POWERLIFTING USA "Errors Department", Post Office Box 467, Camarillo, California 93011 for a proper analysis of the situation (which can take some time, depending on the situation) and an appropriate correction in a following issue.
