

A camp for boys
6-9 year olds
...where boys can be boys

NATURE ROCKS!

Any Tuesday and/or Thursday in August from 9-12am
On 10 acres in Centerville, De

Each day explores a new topic using:
Cooperative physical games/logic puzzles
Team building activities
Fun science experiments
Snack
Outside Nature Spotlight
Art Project- using quality materials
Outside/physical play

Taught by Angie Measows, Certified Montessori Elementary teacher with 20+ years experience and a focus/talent with social/emotional development.

Kids will keep a journal/scrapbook and have home reading options with activity pages on topics.

Reserve only the days you need. We accommodate your summer schedule!
Just \$ 25 per day.

2 Family Fun Saturday outings where all (sibs and hubbys) are welcome!

We will have fun learning about nature and science! While playing outside!

Topics include:

Flight

Trees

Chemical reactions

Wind

Solar Energy

Garden Mammals

Bugs

Weather

Levers and Pulleys

Gravity

Building a Stream

Space

Frogs

Building a fort

Birds

Bees

Electricity

Motion
