

Twilight Tunnel Walk

6 pm Thursday, September 22

Winter Production Education Center

1213 Route U, Rocky Comfort, Missouri 64861
1 mile south of the intersection of State Highway 76 and Route U

Walk through the Center's two high tunnels with Extension experts and experienced farmers. Tunnels are being planted for fall and winter. Topics to be discussed include heating and trapping heat via sidewalls and row cover, transplanting, soil & fertility, anticipated growth and harvest schedules and update from site manager.

**There is no charge to attend the walk.
For more information, call 417 483-8139**

This is the last Twilight Walk of 2016. Go to webbcityfarmersmarket.com for details on upcoming workshop and the Winter Production Conference on February 13 and 14, 2017

*A collaboration of the Webb City Farmers Market, the Yang Farm,
Lincoln University Cooperative Extension, University of Missouri Extension
and the farmers of Southwest Missouri and supported by
a Specialty Crops Grant from the Missouri Department of Agriculture.*
