Design and *Detail* are our Specialties

Ditter System Builders, Inc.

Nationally recognized in the Design Basics Inc. magazine *got plans?*

Pete's Crete

Concrete is not the cold, hard building material it was once thought to be. Pete's Crete takes this versatile material and creates everything from durable foundations to beautiful and custom pieces for your new Ditter home. Since 1990, the talented technicians at Pete's Crete have been perfecting the art of working with concrete. From pouring strong foundations to creating stamped and decorative concrete for your pathways, patios, pool decks and more, there is no limit

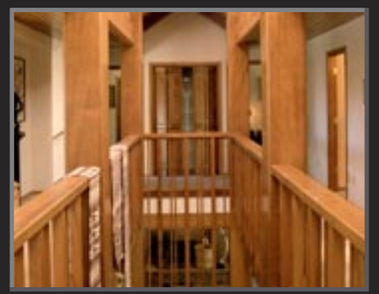

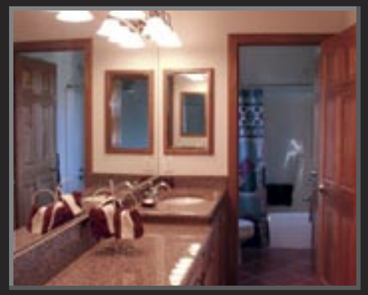

Jeff Lyon's Construction

Ditter System Builders relies on the expertise of Jeff Lyons Construction for the beautiful trim carpentry in their homes because with Jeff Lyons Construction, you're guaranteed the job is done right the first time. The professionals at Jeff Lyons Construction are efficient and skilled craftsmen who maintain constant training to keep up with trends and ever-changing technology. Because of this strong dedication, the Jeff Lyons Construction team is renowned industry wide for their amazing abilities to craft intricate and unique trim work.

Rasmusson Electric, Inc.

As proud partners of the Ditter System Builders team, Rasmusson Electric, Inc. strives to give every home the best quality electrical work found today. The Rasmusson team of highly trained electricians completes each electrical wiring job safely, diligently and at an exceptional value. Their more than 10 years of hard work and experience have enabled the Rasmusson team to become one of the most trusted names in the industry.

CJS Landscape Lighting

Ditter System Builders wants you to enjoy the look of your new home as much at night as you do during the day. To give you this opportunity they turn to the professionals at CJS Landscape Lighting. CJS Landscape Lighting gives their customers the artistic services of Nite Time Décor. Professional lighting emphasizes beauty, showcases your home's architectural features and helps promote a safe environment for your family. The trained experts at CJS Landscape provide expert design, installation and service, and help to maintain the quality of your new home investment. See your home in a whole new light with CJS Landscape Lighting.
