Possible Rain-outs

Games canceled due to weather:

- Games will not be canceled until up to 4pm on game day. Even if you think you are a weatherman and have every weather app known to the planet—games aren't canceled until it's officially been announced by The Commish.
- Carrollton Parks and Recreation may prohibit us from using the fields when they are damp or muddy, and they have the final say-so.
- In order to check the game cancellation status, consult the [TX Freedom Facebook](#) page. Your captain will also be notified as soon as a game is canceled. If they have not heard that the game is canceled, then the game is still on.
- If a game is canceled, the schedule will be pushed back until the following week.

Games ending mid-play due to weather or other reason:

- Referees may call a game or pause for bad weather until it is safe to continue.
- 7.02 A game that is called off by the Referee after three (3) full innings of play shall be considered a regulation game. The game score at the end of the last full inning shall determine the winner. Regulation games called off that end in a tie shall be marked as a tie.
- 7.03 A game that is called off by the Referee for any reason before three (3) full innings of play shall not be considered a regulation game and a new game may be rescheduled.

*Scores are listed alphabetically, not numerically.

*Beginning next week, we will go back to the unscheduled Bar Games. Find Jana at RedRock as soon as she gets there to sign up with your team for bar games. Teams will play in the order that they sign up to play.

*Remember, Russ and Jana put together bar games out of the goodness of their little beer-lovin' livers. Our league is the only one in the area that even does it. It's a privilege that we all appreciate!

TEAM AWARDS

Our MVP for the week was Izzy "Speedy Gonzalez" Lozano. He caught Anthony's pitches all night and their teamwork was evident... (I think they've been practicing on the weekends). But for real... He made a bunch of awesome plays at catcher AND had an inside the park home run. Way to go Izzy!

Izzy Lozano

Big shout out to Richard for always stepping up and doing the "dirty jobs" for the team. Whenever the overextended captain has to take a leave of absence :) Richard is right there making sure everything is taken care of. Where would the Wonders be without him? Thanks again, Richard!!

Richard Cararra

Hats off to Billy for being this week's MVP! Billy kicked a beautiful homerun and also made a sweet sacrificial play that resulted in two runs! Congrats team on our second win of the season!!

Amanda "Smitty"

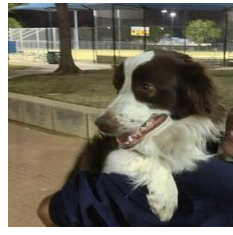

Number 13 on the field but number 1 in our hearts this week, as MVP goes to Amanda Smith. Not only wrangling some inning ending catches but also getting on base everything she was up to kick. As if that wasn't enough she was our leading scorer in bar games and then shut down Red Rocks like a champ! Well done Smitty.

WAKA
BOJANGLES

Sonchai & Brownie

We sure missed Sonchai last season. He's been working out extra hardcore in his own personal offseason so that he could dominate as a Bojangle again—what an MVP! Brownie also gets an honorary MVP for her sexy streaking through the fields during the fifth inning stretch.

WAKA SHAME

Luis Tapia

Luis was the man with the moves this week, that is why he is Waka Shame's MVP. Luis reigned from the mound, delivering nearly unkickable pitches. When a lucky soul was able to get their foot on the ball he single handedly denied them the chance to get on base. That's right, our boy Louie was responsible for all three outs during his time on the mound. Perhaps Louie has found his true calling...

The Red Rock Spirit Award

How do you get the Red Rock Spirit Award? Mostly by drinking mass amounts of booze and making a fool of yourself. Our resident Red Rock bartender, Simon, will nominate the next winner at 2am on Thursday.

Whoever said "Hold my beer and watch this" didn't have as much talent as Shay.
