The Court ordered that five posts containing the words, "*altered his under oath statements*" be removed from 2 websites.(along with the direct evidence that the justices of the Fourth District Division One Appellate Court and Kelman know they framed Kramer for libel with actual malice & the continued adverse impact on public health policy because of it) On February 10, 2012 the Court was informed that Kramer could not comply with the Revised Order because website owners refused to remove the evidence.

February 5, 2012 Carsten's Declaration: "Until the California judicial system, Mr. Kelman and Mr. Scheuer provide an explanation of why the courts framed a defendant for libel, suppressed the evidence the plaintiff committed perjury, falsified court documents and computer entries, gagged the defendant from republishing the words for which she is evidenced to have been framed by the courts, and is now going to be incarcerate her for refusing silence of how the courts' actions continue to harm the 2800 members of Sickbuildings; no posts of Sharon Kramer's or any other member of Sickbuildings regarding this matter will be retracted."

February 6, 2012 Stuckey Declaration: "In relevant part, the November 4, 2011 post on my blog accurately states, By precluding us from writing the phrase "*altered his under oath statements*", the words that are the sole cause of action of the case; the courts are essentially taking a case that is a matter of public record and deceptively making it a sealed case where we cannot write of how the courts framed a US citizen for libel while aiding a multi-billion dollar fraud to continue in public health and workers' comp policies. We cannot publicly evidence what the courts did to frame a US citizen for libel and are now harassing and threatening to block the citizen's movement (incarceration for Contempt of Court) to keep their misdeeds from coming to greater public light."
