

## BRITNEY SPEARS IN LONDON

Overseas promoting in the United Kingdom,  
Whirlwind adventure for our superstar today,  
Britney on British talk shows is staying calm,  
Complains about conservatorship some say.

Britney Spears in London, there is Big Ben,  
Driving on the left side to another interview,  
Granny Lillian grew up here way back when,  
British accent, they will say you are cuckoo.

Talk of the town, Britney Spears was here,  
Loved in London, she is really one of them,  
Grandmother Lillian would be proud, dear,  
The Queen of Pop is wearing her diadem.

Britney's memories from a British past life,  
Sir Robert was there, her knight errant still,  
Couple had no doubt, a husband and wife,  
The promise to always be together we fulfill.

Feeling fancy free, happy here in London,  
No conservatorship repressive oversight,  
Turning showbiz work into something fun,  
Britney loved every second, that was right.
