

## SEUSSICAL, JR. - Gertrude McFuzz

GERTRUDE needs to seem like the “bird next door” and not too flashy at all. BLUE is her signature to contrast with Mayzie’s red. She’s very simple with a skater type dress, leggings, flats and “one feathered tail”.

### WHERE TO BUY:

Walmart, Target, Kmart & Old Navy would be great places to check ONLINE for an affordable, solid BLUE skater type dress with lots of movement. No sequins for Gertrude.

Hobby Lobby & Michael’s - great for all kinds of feather accessories!

Amazon.com - Another great goto for headpieces, leggings and costume pieces.
