2 hours' instruction per day

Note: the Lead Rein Ride will also be in the field adjacent to Cogshall Lane

Parking will be in the field as above

Cost £60 (including Camp BBQ) (payable in full please)

Please bring a picnic lunch each day

Code of Conduct

Parent/Guardian **and** Child must sign the application form to acknowledge the camp expectations of good behaviour .

Camp BBQ / Disco	Wednesday 1 st August. <u>Tickets will only be sold in advance.</u> Please include your ticket requirements on the booking form – and enclose a stamped self-addressed envelope , with payment for your tickets to be sent to you.
Stables & Tents	Stables will be prepared with adequate shavings and should be left as they are found. Tents are provided by CHS. A deposit of £10 (cash in an envelope clearly marked with the child's name) will be required. This will be returned at the end of Camp after inspection of stables and tents. Additional unlimited shavings will be available at Camp for £10 per stable.
Feed	Feed must be provided for your own Pony – and 2 water buckets in each stable (regardless of whether automatic water feeders are installed)
Hay / Haylage	Unlimited Hay / Haylage will be available for the duration of Camp from Keith. The cost of this is inclusive. Please specify on the booking form what you preference is. Hay has to be ordered so we need to know!
Pre-Camp Meeting	There will be a pre-Camp meeting for live- in members only – Date to be confirmed.
Medical Form	A Medical Form (legible and fully completed) is to be completed for each Member – and <u>must</u> be returned with the booking form. Your child cannot attend camp unless we have a completed form.
Rallies	It is a pre-requisite that all children attending Camp must have attended at least 3 Rallies, one of which must be a General Rally, before Camp, so that ability can be assessed.
Ponies	Camp is very tiring for the ponies (and children!). The children will ride for upto 4 hours per day (except the day of arrival). Please ensure that your pony is fit, well shod and that tack is in good condition and fits well. If you are unsure of your tack requirements and fitting, please speak to your instructor at your next rally. We do not wish to offend at camp by saying your tack is incorrect!
Clothing / Kit List	Branch Polo Shirts, Sweat Shirts and Pony Club Jackets are available for order on the website . Kit List for Camp is on the website.
Duty Rota	As always, Camp is run on a voluntary basis (with the exception of the Instructors and Stable Helpers). The organisation of this event is enormous and it should not be down to the usual few to set up, organise and dismantle camp. All parents are expected to do a minimum of one duty whilst your child is at Camp. 1 adult from each family attending Day Camp will have a compulsory duty of setting up camp and parents of live-in children will have a compulsory duty of putting up tents or taking down and also dismantling camp. You will be responsible for your own child's tent. Please complete the attached form detailing your availability; otherwise tasks will be assigned to you and it is your responsibility to reschedule.
Mobile phones	There must be NO photos added onto social media at ANYTIME during camp. Phones are not to be taken on rides/lessons. CHSPC take no responsibility for any electronic item whilst at camp.

Booking / Payment Please tear off the checklist slip below & return with:- Booking Form, Medical Form, Duty Rota Form, BBQ booking form (with **Self addressed envelope**) & Stable/tent deposit .
