PRAY

Please PRAY for the World.....We all need Help from God above.....

“For where two or three are gathered together in my name, there am I in the midst of them.”

Matthew 18:20

We might not be all together now, but we can all Pray together,

Please print this chart, stitch as many as you can...all sizes...all colors!

And share your work with family and friends...

It will be a reminder to Pray in the morning, afternoon and in the evening...

May God keep you safe and your Loved ones too

Blessings
