

## **Dan and Betsy Ziomek -7114**

Please greet Dan and Betsy Ziomek who moved to Patriots Colony in late June from Midlothian, VA, where they lived for 24 years. Dan served for 25 years in the Army in the Infantry, Transportation, and Acquisition Corps. They met at Ft. Eustis while Betsy was the senior lab tech at Anheuser Busch.

Dan was raised in Baltimore and Betsy in Portsmouth, VA. They were married on Dan's birthday 40 years ago. Prior to meeting Dan, Betsy taught biology and then tested water systems for Skylab at NASA. They both worked in the private sector before taking jobs with Virginia after Dan retired from the Army. Dan was the Director of the state Project Management Division and Betsy was the state QC coordinator for wastewater compliance reporting.

Aside from video chats with their son and granddaughter who are in Los Angeles, Dan enjoys bicycling, running, and music while Betsy enjoys bead weaving, knitting, and reading.
