Are you ever burdened with a load of care? Does the cross seem heavy you are called to bear?
Count your many blessings every doubt will fly And you will keep singing as the days go by.

When you look at others with their lands and gold Think that Christ has promised you his wealth untold
Count your many blessings Wealth can never buy your reward in heaven or your home on high

So, amid the conflict whether great or small Do not be disheartened God is over all;
Count your many blessings, Angels will attend Help and comfort give you to your journey's end.
