Utilise Highfield Children's Centre for WPEH 0-11 years (designated children's centre) to meet access and reach requirements for the service.			
45. Highfield Children's Centre (designated children's centre)	Not proposed for future use.	Proposed for future use for delivery of WPEH 0-11 years (designated children's centre) instead of at Chorley Library.	It is proposed to retain Highfield Children's Centre (designated children's centre) due to its current location best serving the access and reach requirements for the service. In addition, the complexity of the Chorley Library building would require significant investment in order to provide an appropriate children's centre facility.

86. Halton Library and Children's Centre	Proposed for future use by Library Service, WPEH 0-11 years.	Proposed for future use by Library Service, WPEH 0-11 years (outreach).	This is currently a satellite of Lune Park Children's Centre (designated children's centre). There are low levels of families choosing to access support at Halton Children's Centre and so the service proposes to add capacity at Lune Park and ensure outreach support for the community in Halton.			
90. Lune Park Children's Centre, Ryelands Park (designated children's centre)	Proposed for future use for WPEH 0-11 years (designated children's centre).	Proposed for future use for WPEH 0-19+ years (designated children's centre).	Service delivery change - consultation conducted by WPEH showed preference by young people to access this site for support. It is situated in the Skerton and Ryelands park area which has significant levels of deprivation. Increasing levels of service at this site will ensure support is available without having to cross the river to other buildings.			
91. Morecambe Library	Proposed for future use with satellite Library, Registration Service, Welfare Rights and WPEH service 0-19+ years (designated children's centre).	Proposed for future use with full Library service, Registration Service, Welfare Rights and WPEH 12-19+ years.	A review of the requirements set out in the Library Planning and Needs Assessment identified the need to retain a full Library service in Morecambe.

Additional use of this building will enable the service to better meet access and reach requirements.
99. Carnforth Library	Not proposed for future use.	Proposed for future use for full library service pending a detailed site review of Carnforth Hub.	It is proposed to retain Carnforth Library due to its current location best serving the access requirements for the service as the complexity of the Carnforth Hub site would require significant investment in order to provide an appropriate library service.

Building	Consultation Proposal (Main service delivery)	Revised Proposal (Main service delivery)	Rationale
200. Ormskirk Mere Brook Day Centre	Proposed for future use by Older People's Daytime Support Service.	Proposed for future use by Older People's Daytime Support Service subject to confirmation of arrangements with the premise owner.	This proposal will replicate the service model delivered at Vale View and Fosterfield Daytime Support Centres within Mere Brook Day Centre providing a range of support for older people on a single site and within appropriate settings in response to their identified needs and so reduces the potential for movement to alternate provision should their care needs increase.
213. Ormskirk Derby Street Day Centre (Older People)	Not proposed for future use.	Not proposed for future use.	This proposal will replicate the service model delivered at Vale View and Fosterfield Daytime Support Centres within Mere Brook Day Centre providing a range of support for older people on a single site and within appropriate settings in response to their identified needs and so reduces the potential for movement to alternate provision should their care needs increase.
