GRACE

GRACE FARRELL

Grace may have 2 costumes: one dress and one skirt, top. Both should have a retro, 1930s look. Grace's signature color should be blue or light blue. Look for a blouse and longer, fitted skirt that hits mid-calf. Dress can be floral (think Laura Ashley from the 1980s).

She can wear a low heel, but it should be thicker like the time period. A t-strap shoe is perfect. Her hair should be rolled back off the face. Do a quick Pinterest search for Grace Farrell for dozens of style ideas!
