

Let's go on a hike
September 19, 2008

Name _____

The map below is of the Bon Tempe Lake region in Marin County. Note that the scale is given in the lower right hand corner.

You are going to take a hike from the circled #1 along the Pumpkin Ridge Trail (following the arrows) to the circled #2. You will continue on the same trail (crossing the Sky Oaks Road) until you reach the circled #3. Then you will continue along the trail (following the arrow) until you reach the Bon Tempe Trail/Sunnyside. You will take a left and follow this trail (and the three arrows with it) along the northern shore of Bon Tempe Lake until you reach the circled #4. Then you will follow the Sky Oaks Trail back to the circled #1.

Your job is to estimate (to the nearest tenth of a mile) how long of a hike this will be.
