18 1. On October 21, 2011, this Court appointed Ms. Tracey "Sang" to assist Sharon "Kramer"
19 with her defense of civil Contempt of Court charges. The transcript from October 21, 2011, may be
20 read online at: <http://freepdfhosting.com/20494ca83d.pdf>

21 2. At no time has Kramer accepted Sang as her legal counsel. Kramer has always
22 represented herself Pro Per. This is clearly stated in the transcript of October 21, 2012.

23 3. At the contempt of court hearing on January 6, 2012, Kramer appeared on her own behalf
24 via affidavit. The affidavit may be read online at: <http://freepdfhosting.com/d22e3bf75a.pdf>

25 4. Ms. Sang was given specific instruction via the affidavit that she was not to speak on
26 Kramer's behalf at the trial. The Court acknowledged this. Stated he would not stop Sang from
27 speaking and then began questioning Sang of her thoughts on Kramer's mental status.

1 5. This court, without swearing Sang in as a witness, questioned Sang who is not
2 representing a party in the case and has no background as a mental health professional, as to
3 Kramer's mental stability. The transcript of the January 6, 2012 contempt hearing may be read
4 online at: <http://freepdfhosting.com/b88b5318fb.pdf> (Attached Hereto As *EXHIBIT 1* are pages 1-6
of the Contempt hearing)

5 6. The Court stated Kramer needs to be charged with a misdemeanor (criminal contempt)
6 and the Court would like to "doctor up an order" and get Kramer "downtown to the psych unit" for
7 a mental evaluation.

8 7. Sang stated that she had discussed this with Bruce "Kelman"'s counsel before the hearing
9 and she believed this was the "only option".

10 8. Sang has the evidence in her possession that in the prior case, the courts crafted their
11 opinions to make a false finding of Kramer being guilty of libel and that this Court gagged
12 Kramer's ability to write of what the prior courts had done and its continued adverse impact on
Kramer and the public.

13 9. Sang is not working in Kramer's best interest to play into the hand of Kelman and the
14 courts that it is a mentally unstable thing to do, to want the damage caused by judicial misconduct
15 of framing a whistle blower of fraud in policy for libel, to be rectified & refusing silence of the
16 judicial misconduct

17 10. Directly because of statements made by Sang and this Court on January 6, 2012 in the
18 contempt hearing, Kramer scheduled a Mental Status examination with Dr. Lorna Swarz on January
19 12, 2012.

20 11. The Mental Status Report of Kramer may be read online at:
<http://freepdfhosting.com/b6edde31e2.pdf> (Attached Hereto as *EXHIBIT 2* is the evaluation.)

21 12. This evaluation and report costs Kramer \$600 that she does not have to thwart the "nice
22 lady, but crazy" defense of the courts and Kelman for framing a whistle blower for libel and then
23 gagging her from writing of it, thereby aiding a fraud in policy to continue and judicial misconduct
24 to remain concealed.

25 13. In relevant part, the report of Dr. Swarz states that Kramer is intelligent, is a superior
26 problem solver and is functioning well considering that she has been "aligned and subject to libel"
27 for now seven years.

1 14. Kramer does not need another person involved in this fiasco who is promoting the false
2 concept that she has mental problems for daring to expose a fraud in policy aided by the courts and
3 for standing up for her constitutional rights to speak the truth in America without retribution on
4 behalf of the public good.

5 15. Kramer has ask Sang numerous times to request that this Court remove her from this
6 case. To date, Sang has taken no action to honor Kramer's wishes.

7 16. It is a waste of tax dollars to continue to pay Sang, when Kramer will never go to Sang
8 for legal advice because of her statements adverse to Kramer's best interest and her involvement in
9 the irregularities of the proceeding of the Contempt of Court hearing on January 6, 2012.

10 17. Kramer hereby terminates the relationship with Tracey Sang, Esq.
