STRUM ACROSS

traditional
noted as early as 1898

I went to the a - ni - mal fair. The birds and the beasts were there The

big ba - boon by the light of the moon was combing his au - burn hair. The

mon - key he got drunk He sat on the e - le - phant's trunk The

e - le - phant sneezed and fell on his knees and what be - came of the

monk, the monk, the monk the monk and what be - came of the monk?

The kangaroo was dressed
In an elegant velvet vest.
The horse and pig were dancing a jig
To the tune they loved the best.
The seal began to croon
While juggling pink balloons
The kangaroo had nothing to do
But rattle the silver spoons, the spoons
the spoons, the spoons
But rattle the silver spoons

The lion made a bow
And tried to kiss the cow
The cow refused with several moos
Which made the lion howl.
The parrots in the trees.
Were watching the chimpanzees
The chimps were shy and covered their eyes,
And swung on the high trapeze, with ease
with ease, with ease,
And swung on the high trapeze.
