How to enter a Badminton Tournament Online

Normally there will be two options here. “Online entry with an account” and a very light grey “online entry without an account” Canterbury does not seem to be setting it up to allow anyone to enter without an account, but I would recommend setting up an account anyway. It is a little more work the first time but makes it much simpler next time.

The screenshot shows the 'tournament software' website. The navigation bar includes Tennis, Squash, **Badminton**, Table Tennis, Racketlon, Volleyball, Soccer, Hockey, and Basketball. A search bar and a 'Tournaments' dropdown menu are visible. The main content area features the '2014 Canterbury U19 & U15 Championships' with a last updated date of Wednesday, May 7, 2014 2:58 PM. Below this, there are tabs for Organization, Online entry, Events, Players, and Regulations. A red arrow points to the 'Online entry with an account' link, which is highlighted in blue. The text below the link explains that creating a free account simplifies the online entry process and allows for profile creation and updates.

If you have a [Login and password](#): Enter these now and it will go straight to the 5 step entry screen. If you don't click on “Sign up” (you will need lots of things but most importantly an email address and your player number).

The screenshot shows the 'tournament software' website's login and sign up page. The navigation bar includes Tennis, Squash, Badminton, Table Tennis, Racketlon, Volleyball, Soccer, Hockey, Basketball, Handball, Korfball, and Darts. A search bar and a 'Tournaments' dropdown menu are visible. The main content area features a 'Login' section with a form for 'Login name' and 'Password', and a 'Remember me next time' checkbox. A blue arrow points to the 'Login' button. To the right, there is a 'New at tournamentsoftware.com?' section with a 'Sign up' button. A red arrow points to the 'Sign up' button. Further right, there are links for 'Lost password?' and 'Lost login?'.

If you don't have a player number yet: Just enter “required” when you get to this part, but you will need to change it before you enter next time.

How to enter a Badminton Tournament Online

If you have entered a tournament in the past, you will have a number. To find your player No. go back to the Badminton NZ tab and click **“Player Points & Rankings”**

Here, you can see where you are ranked against the whole of NZ (though not that accurately) to get your player No click on **“Player Number”**

There is some helpful info at the top, but to get to where the Numbers are scroll down and find these links. The easiest to use are the ones **“sorted by surname”**.

Scroll down the lengthy list and find your number. (If you have played a tournament but can't find your number email rayw@clear.net.nz and ask for it. This quite often happens if you have only just played one or two tournament and the list has not been updated yet.)
