Harry & Bess Truman

An Interactive
Presentation by Russell Doré,
An in-depth look at Harry & Bess Truman
Decisions, life, love, war....
Monday, December 10, 2018 at 7pm

Harry S Truman was President during very trying times in our country's history. He was thrown into the position when FDR died suddenly.

Truman then had to end World War II in Europe and deal with Joseph Stalin to stabilize Europe for future peace. He had to end the war with Japan and made the difficult decision to accomplish this quickly by dropping the Atomic Bomb. He then turned his efforts to aid South Korea against the invasion by the North Korean Communists.

Refreshments
Provided

Go back to 1952 and interact with these two historic figures in this one hour presentation with seasoned actors portraying Harry and Bess. Learn about their rise in politics, their daughter Margaret and their strong love for each other. The presentation is authentic and presented with a keen sense of humor.

All Presentation begins at 7 pm
Highland Activity Center
209 N. John St., Highland, MI
248-887-1707
This event is open to the public
& to all ages.
