

AMERICAN COLLEGE OF
OCCUPATIONAL AND
ENVIRONMENTAL MEDICINE

ACOEM is the pre-eminent organization of physicians who champion the health and safety of workers, workplaces, and environments.

Adverse Human Health Effects Associated with Molds in the Indoor Environment

Copyright © 2002 American College of Occupational and Environmental Medicine

This ACOEM statement was prepared by Bryan D. Hardin, PhD, Bruce J. Kelman, PhD, DABT, and Andrew Saxon, MD, under the auspices of the ACOEM Council on Scientific Affairs. It was peer-reviewed by the Council and its committees, and was approved by the ACOEM Board of Directors on October 27, 2002. Dr. Hardin is the former Deputy Director of NIOSH, Assistant Surgeon General (Retired), and Senior Consultant to Global Tox, Inc, where Dr. Kelman is a Principal. Dr. Saxon is Professor of Medicine at the School of Medicine, University of California at Los Angeles.
