

## LITTLE MERMAID JR. – COSTUMES

### Mersisters

**MERSISTERS** will be very similar to Ariel with slight color and design differences. Each sister will have an identical tank style dance top in one of three colors that must be ordered/purchased. Their skirts are going to be custom made by Mrs. Becky McDonald at Eastern and will be identical fabric and colors...except each “flipper” will be made from a different color tulle for each sister that will match their tops. They should find some sort of tropical or seaworthy accessory for their hair and wear bangs/hair out of their face.
