The diagram shows a circular layout for the Galileo Disco & Observatory. At the top, there is a large, empty semi-circular section. Below this, two large, semi-circular seating areas are arranged, each containing a grid of seats and an outer ring of smaller, round tables. In the center, there is a smaller, semi-circular structure with a curved top. This central structure is divided into two main sections, each labeled with a white 'E' on a black background. Below these 'E' sections are two spiral-shaped structures, possibly representing stairs or ramps. The entire circular area is enclosed by a thick black border.
