The floor plan of the 12th floor of the MGM CityCenter is a complex layout with various room types and configurations. The rooms are color-coded: green for studios, blue for one-bedroom units, orange for two-bedroom units, and yellow for three-bedroom units. The layout includes a central corridor, a lounge area, and various service areas. Room numbers range from 12000 to 12308. The plan also shows the location of the MGM CityCenter entrance and the MGM CityCenter Skyline.
