

### **Create Your Own Government Poster (20 pts)**

For this assignment you will be working with a partner to create a poster that would have been issued by the government in the United States. You will pick an issue today that you would think the government would want the public's support on and create a poster that would help unite the people behind the cause. Today we now have social media, new forms of entertainment and also many different forms of advertisement we use but we are going to pretend that the government needs to use this as their form of propaganda. After you create the poster your group must write a 3-4 sentence description of your poster and why you chose this topic.
