

***Petitioned Warrant Article to Enact a No Smoking Ordinance***

The undersigned hereby petition the Town of Moultonborough to see if the Town will vote to enact the following ordinance: In accordance with the NH Indoor Smoking Act (RSA’s 155:64 to 78), the smoking of tobacco products is prohibited in all Town-owned buildings, other enclosed spaces, and vehicles owned by the Town of Moultonborough. In addition, it is the policy of the Town of Moultonborough that Town employees are prohibited from smoking on any properties owned by the Town of Moultonborough, including streets, sidewalks, and parks, during “on-duty” hours as a Town employee, with the exception of outdoor designated smoking areas that may be established by Department Heads to accommodate Town employees, and others who wish to smoke in designated areas. All Town-owned buildings shall be posted for “No Smoking”, as well as posting for “smoking-allowed” designated areas. Town department Heads and supervisors are charged with enforcing this policy by use of the Town’s progressive disciplinary procedures. Any complaints about noncompliance with this policy should be directed to the Town Administrator.

Smoking is defined as having in one’s possession, a lighted cigarette, cigar or pipe or any device designed to produce the effect of smoking.

All terms in this section shall have the same intent and meaning as described in NH RSA 155:64 to 78. The policy will be effective 60 days after ratification by the legislative body.
