

The most important factor to remember in writing a reflective essay is that your opinions and **conclusions** should directly relate to the experiences you examine in the essay body

Essay Writing Help.com

This is a big issue and it is  
important for the world  
community.

I selected the Israeli-Palestinian  
conflict because of its global  
implications. The conflict has led to  
high oil prices, terrorism and hatred  
of the US.

One of the articles said that the conflict was an old problem

According to the BBC article entitled “Israel’s eased Blockade” by Jon Donnison, the lack of an international agreement has caused the Palestinians to be deprived of water, electricity and jobs.

I think the world community has  
to work on this issue.

This conflict will only end when all  
parties agree to negotiate in good  
faith. The US must be willing to  
withdraw support from Israel and the  
Arab community must provide  
support.
