17 **Declaration of Kevin Carstens**

18 I, Kevin Carstens, hereby declare as follows:

19 1. I am the owner and moderator of a twenty-eight hundred member online support
20 group for those injured by biological contaminants found in water damaged buildings (WDB),
21 "Sickbuildings". The web address is: <http://health.groups.yahoo.com/group/sickbuildings/> I reside in
22 Cornelia, Georgia and have personal knowledge of the facts set forth herein. If sworn as a witness I
23 could and would testify competently thereto.

24 2. Many of our members have difficulty obtaining medical treatment for their injuries
25 because of a marketing campaign by the US Chamber of Commerce that began in 2003 and in which
26 it was mass promoted to US physicians, insurers and the courts that it had been scientifically proven
27 all claims of illness and death from "toxic mold" were only being made because of "trial lawyers,
28 media and Junk Science".

1 3. I am aware and have the evidence posted on Sickbuildings that the plaintiff in this
2 case, Bruce J. Kelman, along with his business partner in the corporation of Veritox, Inc., Bryan
3 Hardin, are the authors of those words that were mass marketed by the US Chamber of Commerce to
4 US physicians, insurers and to courts. I am aware that Veritox was formerly known as GlobalTox,
5 Inc.

6 4. I am aware and have the evidence posted on Sickbuildings that the defendant in this
7 case, Sharon Kramer, was the first to publicly write in March of 2005, how the US Chamber of
8 Commerce, Bruce J. Kelman, his company, Veritox, the Manhattan Institute think-tank, US
9 Congressman Gary Miller and the occupational medical trade association, the American College of
10 Occupational and Environmental Medicine (ACOEM) were connected in mass marketing the false
11 concept that it had been scientifically proven people claiming injury from WDB were only doing so
12 because of “trial lawyers, media and Junk Science”.

13 5. I am aware and have the evidence posted on Sickbuilding that Bruce Kelman and
14 Veritox sued Sharon Kramer in May of 2005 for five words within the first public writing of how it
15 became a false concept in US public health policy and in US courts that it was scientifically proven
16 all claims of illness from WDB were only being made because of “trial lawyers, media and Junk
17 Science”. Those five words are “*altered his under oath statements.*”

18 6. I am aware and have the direct evidence posted on Sickbuildings that the California
19 Fourth District Division One Appellate Court issued an anti-SLAPP opinion in November of 2006 in
20 which they falsely made Sharon Kramer’s writing appear to be a libelous accusation that Bruce.
21 Kelman lied on a witness stand about being paid by the Manhanntan Institute think-tank to make edits
22 to ACOEM’s mold position statement of 2002, “*Adverse Human Health Effects Associated With*
23 *Molds In The Indoor Environment.*”

24 7. I am aware and have the direct evidence posted on Sickbuildings that Sharon
25 Kramer’s writing accurately states the exchange of think-tank money was for the US Chamber of
26 Commerce’s mold position statement, “*A Scientific View of the Health Effects of Mold*”.

27
28

1
2 8. I am aware and have the direct evidence posted on Sickbuildings that in 2006, the
3 Fourth District Division One Appellate Court suppressed the evidence that Bruce Kelman submitted
4 a false declaration statement under penalty of perjury in September of 2005 to establish a fictitious
5 theme of why Sharon Kramer would harbor malice for him. Bruce Kelman falsely claimed under
6 penalty of perjury to have given an expert opinion in 2003 in Sharon Kramer’s lawsuit with her
7 insurer, Mercury Casualty that caused her to be “*apparently furious that the science conflicted with*
8 *her dreams of a remodeled home. Kramer launch into an obsessive campaign to destroy the*
9 *reputations of Dr. Kelman and GlobalTox.*”

10 9. I am aware there is no evidence to corroborate that this testimony in the Mercury case
11 was ever given by Bruce Kelman or any evidence Sharon Kramer had reason to, or did, harbor
12 personal ill will for Bruce Kelman stemming from this case.

13 10. I am aware and have the direct evidence posted on Sickbuildings that the Fourth
14 District Division One Appellate Court issued a second opinion in September of 2010 in which they
15 concealed they had crafted their 2006 anti-SLAPP opinion to make the false finding that Sharon
16 Kramer was guilty of libel with actual malice.

17 11. I am aware and have the direct evidence posted on Sickbuildings that numerous court
18 documents and computer entries were falsified in the case of judgments that were never entered and
19 concealing who were the actual parties to the litigation, with Bryan Hardin who is a retired Deputy
20 Director of NIOSH and co-owner of Veritox being the undisclosed party.

21 12. I am aware and have the direct evidence posted on Sickbuildings that on May 2, 2011
22 in a second case, this case, Sharon Kramer was enjoined by Temporary Injunctive Relief Order from
23 republishing the sole cause of action phrase from the prior case, “*altered his under oath statements*”,
24 the phrase for which the courts had framed her for libel with actual malice in the first case.
25

26 13. I am aware that if the court would acknowledge Sharon Kramer’s uncontroverted
27 evidence in its case file that the prior courts framed her for libel, suppressed the evidence that Bruce
28 Kelman (author of mold policy for ACOEM and the US Chamber) committed perjury to establish

1 reason for malice, falsified court documents and then in a second case gagged her from being able to
2 write of what they had done; the deceptive marketing campaign of the US Chamber of Commerce
3 that all claims of illness from WDB are only being made because of “trial lawyers, media and Junk
4 Science” would immediately vanish from policy and courtrooms throughout the United States.

5 14 I have read the judgment for Contempt of Court issued 01/19/12. In relevant part:

6 “Comptemer, with full knowledge of the preliminary injunction, republished the defamatory
7 statement [sic, “*altered his under oath statements*”] by posting it on the Internet...(ii) on the
8 Yahoo Group “Sickbuildings” chatroom on November 3, 2011 which linked to an article on
9 the Katy’s Exposure website dated November 3, 2011;...(iv) on the Yahoo Group
10 “Sickbuildings” chatroom on November 5, 2011, which linked to an article, also dated
11 November 5, 2011 on the Katy’s Exposure website.... (c) That the contemner is sentenced to
12 spend a total of five days in the San Diego County jail, pursuant to C.C.P. section 1218(a),
13 which shall be suspended upon the condition that prior to February 6, 2012, contemner
14 publish a retraction on the Katy’s Exposure website and on the Yahoo Group
15 “Sickbuildings” chatroom of the defamatory statement set forth in the preliminary
16 injunctions. Further, pursuant to C.C.P. section 1218(a), contemner is ordered to pay to
17 Plaintiff the attorney’s fees and costs incurred by Plaintiff in this action in the amount of
18 \$19, 343.95”

15 15 I have reviewed the posts made by Sharon Kramer on Sickbuildings on November 2,
16 2011 and November 5, 2011 regarding how it continues to be a scientific fraud in public health
17 policy that it is proven WDB do not harm because of the California courts’ crafting opinions to the
18 false finding of libel with actual malice and then gagging Sharon Kramer from writing of what they
19 have done – with the threat of incarceration by the courts. **There is no post made by Sharon**
20 **Kramer on this subject on November 3, 2011. The November 5, 2011 Sickbuildings post by**
21 **Sharon Kramer does not link to a November 5, 2011 post on Katy’s Exposure because there**
22 **was no post made on Katy’s Exposure on November 5, 2011.**

23 16 I have reviewed the post by Sickbuildings member Karen Dean made on November 3,
24 2011 in reply to Sharon Kramer’s November 2, 2011 post.. (Attached Hereto Collectively as Exhibit
25 are Sickbuildings Message #93617 11/02/11 by Kramer; Reply 11/03/11 by Dean; Message #93706
26 11/05/11 by Kramer; Sickbuildings digest of posts on 11/02 & 11/03 & the 11/11 Achieve of Katy’s)

27 17. Contrary to the finding that Sharon Kramer is to be incarcerated for one day for a post
28 she made on November 3, 2011 for republishing the five words, “*altered his under oath statements*”,

1 my records reflect that Sharon Kramer made no post whatsoever regarding this matter on this date.
2 Sickbuildings member, Karen Dean, made a reply post on that date in which she stated,
3 repost and repost Lets post these words everywhere, on every facebook and
4 blog site, over and over "In the matter of Kelman & GlobalTox v. Kramer,
5 Bruce Kelman and GlobalTox, Inc., sued Sharon Kramer for the words, Dr.
6 Kelman `altered his under oath statements' on the witness stand"?

7 18. Sharon Kramer does not have the capability to retract posts on Sickbuildings made by
8 herself or others. As the owner and moderator of Sickbuildings, only I and my assistant, have this
9 ability.

10 19. **As the owner and moderator of Sickbuildings, I respectfully decline to retract
11 the posts made by Sharon Kramer on November 2 and November 5, 2011.**

12 20. To my extensive knowledge of the issue and the ongoing saga of Kelman v. Kramer,
13 the posts provide truthful and direct evidence of the California's judicial system illegal and
14 unconstitutional involvement of why it remains a false concept in US public health policy and in US
15 courts that it is scientifically proven all claims of illness and death from WDB are only being made
16 because of "trial lawyers, media and Junk Science". This continues to harm the 2800 members of
17 Sickbuildings.

18 21. **I respectfully decline to retract the reply post made by Karen Dean on November
19 3, 2011, which accurately states the sole cause of action of Kelman & GlobalTox v. Kramer is
20 over five words, "altered his under oath statements". This is a matter of public record.**

21 22. If Bruce. Kelman would like to post the direct evidence corroborating the statements
22 he made under penalty of perjury in declarations of why Sharon Kramer would have reason to harbor
23 malice for him, I will share the post with the 2800 members of Sickbuildings.

24 23. If the Fourth District Division One Appellate justices would like to post an
25 explanation to the 2800 members of Sickbuildings of why they crafted their Appellate opinions in
26 2006 and 2010 to make the false finding of libel with actual malice and suppressed the evidence that
27 Bruce Kelman committed perjury to establish needed reason for malice, while knowing they were
28 aiding the marketing campaign of the US Chamber of Commerce to remain in US policy and US
courts, I will share the post with the 2800 members of Sickbuildings.

1 24. If the clerks of the court would like to post an explanation to the 2800 members of
2 Sickbuildings of why they falsified court documents and computer entries of judgments never
3 entered and concealed who were the true parties to the litigation of Kelman & GlobalTox v. Kramer,
4 I will share the post with our 2800 members.

5 25. If Mr. Kelman's attorney, Keith Scheuer, or the clerks of the court or judiciary would
6 like to post an explanation of how and why Sharon Kramer has an interest accruing lien on her
7 property for costs incurred by Mr. Scheuer's trial losing client, Veritox, with interest accruing from a
8 date of three weeks before he even submitted costs, I will share the post with our 2800 members.

9 26. If this court would like to post an explanation of why it is sentencing Sharon Kramer
10 to jail for republishing the phrase the prior courts are evidenced in this court's case file to have
11 framed her for libel with actual malice and with one post for which she is to be jailed not even being
12 made by her, I will share the court's post with the 2800 members of Sickbuildings.

13 27. If the Chief Justice of the California Supreme Court, Tani Cantil-Sayauke, would like
14 to post an explanation of why Sharon Kramer is to be incarcerated for placing the direct evidence on
15 the Internet, September 13, 2011, November 2, 2011 and November 5, 2011 that the Chief Justice is
16 aware of the illegalities of these two cases by officers of her courts and its continued adverse impact
17 on the 2800 members of Sickbuildings, I will share the post with our members.

18 28. **Until the California judicial system, Mr. Kelman and Mr. Scheuer provide an**
19 **explanation of why the courts framed a defendant for libel, suppressed the evidence the**
20 **plaintiff committed perjury, falsified court documents and computer entries, gagged the**
21 **defendant from republishing the words for which she is evidenced to have been framed by the**
22 **courts, and is now going to be incarcerate her for refusing silence of how the courts' actions**
23 **continue to harm the 2800 members of Sickbuildings; no posts of Sharon Kramer's or any**
24 **other member of Sickbuildings regarding this matter will be retracted.**
25
26
27
28

1 29. I am also aware and have the direct evidence posted on Sickbuildings that in October
2 of 2005, one month after the first North San Diego County Superior Court judge denied defendant
3 Sharon Kramer's anti-SLAPP motion in September 2005 while suppressing the evidence that Bruce
4 Kelman submitted a false declaration statement to establish needed reason for malice; ex-Governor
5 Arnold Schwarzenegger endorsed the ACOEM mold position statement as written by plaintiff Bruce
6 Kelman and Bryan Hardin into California's Workers' Compensation "Reform" policy.

7 30. I am aware the sole cause of action words of the prior case, "altered his under oath
8 statements" and the purported reason Sharon Kramer is gagged from writing these words in this case,
9 is because they were allegedly legally found to be a maliciously false accusation that Bruce Kelman
10 committed perjury on the witness stand in Oregon. If any judiciary involved in this matter, Mr.
11 Kelman or Mr. Scheuer would like to post on Sickbuildings what Sharon Kramer falsely and
12 maliciously accused Bruce Kelman of lying about by her use of that phrase, I will share the post with
13 our 2800 members who have had a difficult time receiving medical treatment because of
14 misinformation mass marketed over the mold issue.

15 31. To date, I am *not aware* anyone has been able to state how Sharon Kramer's phrase
16 "altered his under oath statements" translates into maliciously false accusation of perjury - the sole
17 cause of action words of the entire seven years worth of litigation and alleged sole words for Sharon
18 Kramer's impending incarceration.

19 I declare under penalty of perjury of the laws of the State of Georgia that the foregoing is true
20 and correct and that this Declaration was executed by me on this 5th day of February, 2012 in
21 Cornelia, Georgia.

Are you all understanding? They are going to put me in jail for evidencing on the internet why YOU can't get medical treatment and have to fight so hard to have your claims properly adjusted. The leadership of the California courts aided to suppress that the ACOEM Mold Statement is BS.

We can write all day long of the insurer cost shifting scheme/scientific fraud endorsed into California's workers' comp policy over the mold issue by Governor Schwarzenegger_ (<http://freepdfhosting.com/715a485427.pdf>) in 2005 without repeating the phrase, "altered his under oath statements".

But what we cannot do without repeating that phrase is evidence how the courts framed an environmental advocate, Sharon Kramer, for libel as they suppressed the evidence that an environmental policy author for the US Chamber of Commerce/ACOEM, Bruce Kelman, committed criminal perjury to establish needed reason for malice while Strategically Litigating Against Public Participation & suppressed the evidence that Kelman's "legal" counsel repeatedly suborned the criminal perjury.

We cannot write about and publish what happened in a libel case that is a matter of public record, which this one is, without being able to write what words were claimed to be libelous. That's why the courts, Kelman and his "legal" counsel, are trying to gag us and are threatening us not to "republish" the following sentence, "Dr. Kelman altered his under oath statements on the witness stand' while he testified as a witness in an Oregon lawsuit."

The above is not even a sentence that is found within Sharon Kramer's the purportedly libelous _Internet writing_ (<http://freepdfhosting.com/ff60f5f64b.pdf>) of March 2005, -- where she first exposed how it became a fraud in public health policy that it was scientifically proven moldy buildings do not harm.

She also named names in this writing of those involved in the mass marketing of the scientific fraud: Bruce Kelman, GlobalTox, Inc., the Manhattan Institute think-tank, US Congressman Gary Miller (R-Ca), the US Chamber of Commerce and the medical policy writing body, the American College of Occupational and Environmental Medicine (ACOEM). _http://wp.me/pIYPz-3et__ (http://wp.me/pIYPz-3et_)
