TEAM AWARDS

WAKA BOJANGLES

Brandon "BJ" "Duke Benton"

Brandon Jordan has been making an epic kickball comeback, and the birthday boy led our team to get several runs and ended the first inning by catching One Kick Wonders' ball when their bases were loaded.

Will, Ken & Amber

KLBD had two MVPs this week! Will and Ken! Will released his inner child as he played leap frog with the ball and scored the teams only run of the game. Ken thoroughly impressed everyone when he ran from center right field all the way to left field to make a stunning catch and end the inning! These men displayed great sportsmanship and kept the game quite entertaining! Good job Will and Ken! Last week's MVP for KLBD is Amber Cromwell. Her deep ball penetrated far right field in just the right spot to allow the team to score a double. Quite Impressive with it being Amber's first kickball game! Her high spirited personality and dedication will make her a force to recon with when she is up to bat! Way to go Amber!

Michelle Gam-Rod

Michelle, sweet child of mine, you have earned this week's MVP for being the best DJ and karaoke singer. Oh, and also for tagging that one guy out at second after a pretty sweet catch...and then screaming "I got him, I got him!!"

John Romberger

This week's MVP goes to the one and only John Romberger. John did a great job of getting on the bases and even scored one of our two runs. I know that's hard to believe because who really remembers the last time John scored? I'm sure not whole lot of people saw it and that's probably because he was so stinkin' fast smoking y'all around the bases. John's amazing display of athleticism did not stop on the field. Good ol' Johnny boy was one of the last men standing at Red Rock lifting those 16 ounces of sweet, sweet deliciousness! Team John all the way!

Drew Kingsbury

Despite his best efforts, Drew is our MVP for the week. Look... even HE is surprised. He made a few great catches in the field, and kicked one deep. In the top of the third he got to second on a kick even though he forgot he was supposed to be on base and was standing in the 1B coaching box. Oops... Way to go Drew!

Josh and Marty

TX FREEDOM ORIGINAL

"This week we have an offensive and defensive MVP. Offensive MVP goes to Josh Hodsdon for driving in 3 runs with his monster homer that sent WAKA Shame to the fence. Defensive MVP goes to Marty Martin for his clutch defense catches that ended the game."

Churchtanked

Most Dysfunctional Team Award - Dan O'Brien and Mike Pond shared a Brokeback Mountain moment before taking the field against Kegs Legs and Balls Deep. We should all wish them the best for their lovely Mongoloid children. ChurchTanked was so hungry for a victory, that after the game some of them bit their own teammates. It's all part of the dysfunctional family and in the end, everyone ended up getting ChurchTanked at the bar making Thursday morning an interesting affair for several of us.
