Race Policies & Rules & FAQ

@RACE4RESPECT

The inaugural [Race for Respect](#) 5k and Kids' Dash (1K) will be held on Pennsylvania Avenue in Washington DC on March 30, 2014. The five DC metro Down syndrome affiliate groups collaborate on this mission to empower, support and enrich the lives of those with Down syndrome living, working and contributing in our communities. Proceeds provide opportunities and resources for families of children with Down syndrome and adults with Down syndrome throughout the metro DC area. Every person with Down syndrome is someone's son or daughter, brother or sister, granddaughter or grandson, an employee, a colleague, a classmate or a friend. The [Race for Respect](#) will raise awareness of the challenges, demands, and surprising joys that living with Down syndrome brings, and highlight the human responsibility to treat people with Down syndrome with dignity and respect.
