The floor plan of the 1st floor of the Royal Promenade is a detailed architectural drawing showing a symmetrical layout around a central corridor. The central corridor is labeled "ROYAL PROMENADE" and runs vertically. At the bottom of the plan, there is a "LIBRARY" area. The floor is divided into four main sections, each with a grid of numbered rooms. The top left section is labeled "7500+" and the top right section is labeled "7200+". The bottom left section is labeled "7500-" and the bottom right section is labeled "7200-". Each section contains a grid of numbered rooms, many of which are color-coded (e.g., red, green, blue, purple). The plan also includes elevators (ELEV.) and a central staircase area. The overall layout is symmetrical around the central corridor.
