CHURCH SCHOOL COVENANT
CHRIST CONGREGATIONAL CHURCH

As a community in Christ we build our programs around the promise to be in relationship with one another. We ask our teachers, parents and children to commit to this covenant as part of CCC's Church School program. Please read and discuss the covenant with your child(ren). We understand that some of our Church School children are too young to fully understand this covenant, but we ask parents and guardians to spend some time explaining the expectations of Church School to your children in a way they can understand, knowing through the year they will continue to learn what it means to be a part of the Church School at CCC.

Because God calls us into faithful community in Christ's church, I covenant with God and others to conduct our life together at Christ Congregational Church in a manner that promotes positive, respectful, affirming, healthy and safe relationships.

As a child in Church School . . .

- I will participate in activities, working together to learn and grow from my Church School experience.
- I will be open to new ideas and experiences and to trying new things.
- I will welcome new students and treat all people with dignity and respect.
- I will listen when other people are talking.
- I will respect the personal space and property of others.
- I will use the classroom, toys and supplies made available to us with care. If I accidentally damage any property, I will take responsibility for the damage done and inform my teacher right away.
- I will wait in my classroom when Church School ends until my parent meets me.

As parent or guardian of a Church Schooler . . .

- I will encourage my child(ren) to participate in Church School, learning and growing in God and community by bringing them to church.
- I will work to arrive on time to worship, so that they can fully participate in the worship and the entirety of the classroom program.
- I will encourage my child(ren) by asking about the activities and projects from their classes.
- I will maintain an open line of communication with my child's teachers and the Director of Children's Ministries to provide feedback about problems and successes.
- I will support the Church School program by volunteering my time to teach, provide supplies or snacks, participate in classroom preparation prior to each unit, shepherd during communion worship and/or offer feedback to the CE board and staff about the programs.
- I will meet my child(ren) in their classroom promptly after worship and Church School.

As a Church School teacher . . .

- I will strive to create a welcoming and inclusive environment where all children are comfortable.
- I will strive to learn all the children's names and greet them by name.
- I will come to church on Sunday with a lesson and activity prepared from our *Seasons of the Spirit* curriculum to engage children in growing in their faith.
- If there is problem or concern about a child's behavior or well-being, the curriculum or other part of Church School, I will contact the parent and/or the Director of Children's Ministries and work together with her to create a positive resolution to the challenges.
- I will work with my teaching team to forward weekly communications to my class parents keeping everyone informed and engaged.
