

Annie Jr. Costume  
ANNIE

## ANNIE

Please refer to the ORPHANS costume page. Annie should also add a ratty, worn cardigan to her orphan costume. This will serve as her “coat” during her outdoor scene at the beginning of the show when she runs away from Miss Hannigan.

She will also need the iconic red dress, black ballet flats or Mary Janes. A dress coat will be needed for the NYC scene (please ask a cast member from Yes, Virginia for this).
