Letter from our Rector-President

Reverend Msgr. Robert Garza
Rector-President

Dear Sisters and Brothers in Christ:

In the peace and joy of our Lord we welcome you to St. John Vianney College Seminary!

Indeed it is a blessing to welcome you to this sacred place where men embark on a journey of transformation. Men from all over Florida and beyond come here because they have heard God call them to service in the Church as priests. Their response has brought them here to discern that vocation to the ministerial Priesthood of Jesus Christ.

Our patron, St. John Vianney, once wrote that “We have nothing of our own but our will. It is the only thing that God has so placed in our own power that we can make an offering of it to him.” Men come to St. John Vianney College Seminary to offer their will, that it be transformed by the will of God. Hence men do not come here to study to be priests, they come here to be transformed and thus be Christ present to all. This transformation takes place in each heart as it is recreated and sustained by the Four Pillars of Priestly Formation.

The seminarian, as stated in Sacrosanctum Concilium, with all Christ’s faithful “should give thanks to God. Offering the immaculate victim, not only through the hands of the priest but also together with him, they should learn to offer themselves. Through Christ the Mediator, they should be drawn day by day into ever more perfect union with God and each other, so that finally God may be all in all.” (#48) It is this union that will strengthen a man to grow and persevere by continuing this transformation in a theologate program of priestly formation.

Please pray for every man at St. John Vianney College Seminary that one day after a long, arduous, and blessed journey he may rejoice in the Sacrament of Sacred Orders because he first offered his will to God.

Reverend Msgr. Robert Garza
Rector-President

General Information

History and Development

Archbishop Coleman F. Carroll, first Archbishop of Miami, founded Saint John Vianney in September of 1959, less than one year after the establishment of the diocese. He called the Seminary “the first and most important project of this new diocese.” From its earliest days, the Seminary provided excellent priestly formation for the young diocese and other parts of Florida. Archbishop Carroll entrusted the Seminary to the care of the Congregation of the Mission – Vincentian Fathers – who remained at the Seminary until 1975.

Saint John Vianney originally combined a four-year high school with a two-year junior college program preparing young men for major seminary studies. High school classes began in 1959 followed by the college program in 1960. Saint Raphael’s Chapel, famous for the beauty of its architecture and artwork, was dedicated in 1966 as the centerpiece of the Seminary’s campus and life.

In 1975, responsibility for the care and operation of the Seminary returned to the Archdiocese.

At this time, the Seminary was restructured to meet the changing needs of a rapidly expanding Florida Church. The high school program closed in 1976 and Saint John Vianney developed a four-year college seminary program in 1977 focusing on a major in philosophy. With this change came the new name – Saint John Vianney College Seminary.

The College Seminary recognized early the great need for priests who could minister in both English and Spanish in order to serve in the multicultural parishes

of Florida. To meet this need, the College Seminary initiated its bilingual and multicultural program in 1975. Successive generations of faculty and students have cultivated and benefitted from this unique aspect of the College Seminary. Today Saint John Vianney is among the few institutions nationwide offering a bilingual academic and formation program. The multicultural environment of the city of Miami and of the College Seminary community offers a unique formative opportunity to the students by teaching them to appreciate and value the richness of cultures present in the Church they will serve.

Chartered in 1961 under the laws of the State of Florida, the college seminary is annually licensed by the Commission for Independent Education. In December 1970, the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) accredited the two-year Associate in Arts degree program. In December 1980 SACSCOC accredited the college seminary to award a Bachelor of Arts Degree. Since then, the institution has continued to be accredited by SACSCOC; most recently, in June, 2007.

Archbishop Edward McCarthy, the second Archbishop of Miami, dedicated the Maytag Memorial Library and Administration Building in 1983. The modern library facility has become the center of academic life and research for the college seminary’s faculty

and students, as well as others outside the college seminary community. Through the years, the Maytag Library has expanded to become the largest bilingual collection of philosophy and theology in Florida.

In 1982 St. John Vianney began a Pre-Theology Program to serve the needs of those candidates for the Roman Catholic priesthood who have completed their baccalaureate degrees and are preparing to enter graduate studies in theology. These candidates enter this program to fulfill the necessary requirements in philosophy and theology laid down by the Program of Priestly Formation. In 1985 the College Seminary further expanded its services by opening its academic program to non-seminary students.

Under the leadership of Archbishop John Clement Favalora, the third Archbishop of Miami, Saint John Vianney continued to move forward to meet the challenges of a new century. Presently, under the leadership of Archbishop Thomas Wenski, the college seminary takes pride in its service to the Florida Church, continuing its tradition of providing excellent priestly formation to dioceses and religious communities. Saint John Vianney also meets the needs of a variety of non-seminary students who seek out superior academics in a bilingual, multicultural context. Archbishop Thomas Wenski, like his predecessors has made sustaining the tradition of excellent priestly formation at St. John Vianney one of the highest priorities of the Archdiocese of Miami.

Location

St. John Vianney College Seminary is located in metropolitan Miami-Dade County, which includes the city of Miami. South Florida living offers a rich mosaic of experiences and vistas. The local Church is a dynamic microcosm of the Universal Church, where the Mass is celebrated in seventeen different languages each Sunday. The local community, which includes over two million people, is an American gateway to the Caribbean and Latin America, creating an exhilarating and unique cultural environment. Miami has also become an international center for banking and investment, and one of the largest import/export cities of the United States.

Because of its location and its climate, Miami is quickly becoming one of the most important cities in the United States. Miami is, for the present, what Ellis Island was in the past, a place of refuge and safe harbor for thousands of people starting a new life. This is not a new situation for the Church in the state of Florida, which has long dealt pastorally with an enormous influx of people. Even before the Cuban refugee migration of the early 1960s and the subsequent influx of refugees from other parts of the Caribbean and Latin America, Florida had become an increasingly popular destination as a retirement and vacation site for countless hundreds thousands of Americans.

The Church has continually attempted to keep pace with the growth and changes in the Catholic population throughout Florida

and especially in Miami. St. John Vianney College Seminary and its sister institution, St. Vincent de Paul Regional Seminary located in Boynton Beach, Florida – seventy miles from Miami – are two of the ways in which the Catholic people of South Florida have attempted to respond to the pastoral needs of the faithful in this region of the country.

The enormous investment of personnel and resources to the operation of St. John Vianney College Seminary reflects an energetic, vital and deep-seated commitment on the part of the people of God of South Florida to provide quality education for the priests of the future.

With the approval of the Admissions Committee, religious and lay men and women who are interested in the academic programs of the College Seminary can enroll as part-time or full-time students working toward the B.A. degree with a major in Philosophy.

The Archdiocese of Miami, which sponsors St. John Vianney College Seminary, consists of over one million people. St. John Vianney and its students make a conscious effort to make use of the diverse forms of ministry which comprise the Church of South Florida, so that its graduates, who continue on through theology to the priesthood, will be well trained to serve a diversified and vibrant Church.

Institutional Mission

The fundamental purpose of St. John Vianney College Seminary is to provide undergraduate education and formation for those students whose stated objective is to discern a call to serve the Catholic Church as priests. The institution assumes, as its specific responsibility, the academic, spiritual, pastoral, and human formation of college seminarians within a bilingual (English-Spanish) and multicultural setting. The college seminary is also committed to provide academic opportunities for laity and others who may be enriched by its services.

Institutional Goals

In order to carry out its stated mission, the institution must engage young men in formation so that they can more clearly discern their call, better understand what is expected of the optimal candidate to the priesthood and come closer to achieving it. To this end St. John Vianney College Seminary sets for itself the following goals:

1. The institution will provide an academic environment and programs in which students can:
 - a) Encounter a wide range of human learning, with a special emphasis in the humanities.
 - b) Deepen their understanding of the mysteries of the faith.
 - c) Appreciate the relationship between faith and reason.
 - d) Become prepared to understand the teaching office (*munus docendi*) of the priesthood.
2. The institution will provide services of spiritual formation that promote and foster spiritual life for students, as individuals and members of a community, through which they will grow in the life of union with God the Father through his Son Jesus Christ in the Holy Spirit.
3. The institution will provide opportunities for service within the Seminary community and within the community at large which will:
 - a) Foster in students an appreciation for the role of “shepherd of souls.”

4. The institution will provide an environment and formation programs in which students can:
 - a) Grow in human and affective maturity.
 - b) Be better prepared to be bridges for others in meeting Jesus Christ, the Redeemer of the human race.
5. The institution will provide various administrative and support services to meet the reasonable human and institutional needs of its students.
6. The institution will support the well-being of students through a safe campus with properly working facilities that meet the practical needs of students.
7. The institution will support an Office of Institutional Research to:
 - a) Oversee the institutionally wide process of planning and evaluation.
 - b) Monitor the improvement of its programs.

Program of Priestly Formation

The Tradition of Catholic Education

In a time when education is so often associated with the pragmatic learning of skills for a specific task, Catholic education nobly continues a deeper tradition. The Congregation for Catholic Education reminds us that in Catholic education, there is “no separation between time for learning and time for formation, between acquiring notions and growing in wisdom.” Therefore, Catholic Education, which understands education as formation and as more than simply seeking to address content information, places its educational focus on the growth and identity of each human person in light of Jesus Christ. A Catholic Education imparts a rich cultural heritage that fosters a capacity for wisdom in the midst of the world and the ability to respond more fully to one's baptismal calling.

Priestly Formation

All the more, in priestly formation the challenge is to minister to young men discerning the ministerial priesthood in ways that will open them to the identity that will become theirs through sacred orders. It is a journey of deep and continued conversion to Christ. Formation must challenge them to be open to receive the wisdom that comes from above – and be transformed by it.

As in the days of the first disciples, priestly formation happens at the feet of the Lord, as young men continue to learn His teachings, seek His wisdom, and are formed according to His heart. The Fifth Edition of the *Program for Priestly Formation*, approved by the United States Conference of Catholic Bishops, guides the Formation Program of St. John Vianney College Seminary. Following the

teachings of Pope John Paul II in his Apostolic Exhortation, *Pastores Dabo Vobis*, four pillars of this formation are presented: Human Formation, Spiritual Formation, Pastoral Formation, and Intellectual Formation.

It is understood that certain levels of readiness must be attained before one can be considered ready to freely enter into priestly formation. The principle of gradualism challenges each candidate to continue growing in the four pillars at levels appropriate to his place on the journey.

The Four Pillars Of Formation

Human formation is the foundation of priestly formation. Jesus Christ was fully human and fully divine. For a man in the ministerial priesthood to be

another Christ, he must first grow in humanity. Human formation seeks to help men become healthy and mature adults in the faith who can serve as bridges to others seeking Christ. This growth includes the issue of affective maturity and the preparation to embrace a life of chaste celibacy.

Our human formation finds its completion in our intimate union with the Holy Trinity. Spiritual formation directs our hearts to God. In the context of the seminary, it is specifically directed toward developing a priestly spirituality open to living the pastoral charity of the heart of Jesus Christ.

This pastoral charity directs us to love the Church with Christ's spousal love. Pastoral formation directs young men to be men for others, through lives dedicated to works of mercy.

Finally, intellectual formation in the seminary tradition seeks to open young minds and hearts to

the wisdom found in the bringing together of faith and reason. Catholic education has always been committed to a strong liberal arts foundation, and seminaries continue that tradition.

In a free-standing college seminary, all academics, be they general education, humanities, theology, or philosophy, have as their specific goal the formation of priests.

Community Life

Pope John Paul II called community life the “matrix of formation.” It is precisely in the mix of ages, cultures and backgrounds that we are required to grow as men of virtue. In the midst of community, one develops the necessary relational skills to be builders of community as priests in pastoral ministry.

Human Formation

The Human Formation Program of St. John Vianney College Seminary is intended to nurture, in the seminarians of the institution, the basic human qualities necessary for life in the ministerial priesthood of the Church. This program is designed in keeping with the norms established by the *Program of Priestly Formation* of the U.S. Conference of Catholic Bishops: “Candidates to the priesthood must give evidence of an overall personal balance, moral character, and proper motivation. This includes the requisite human, moral, spiritual, intellectual, physical, and psychological qualities for priestly ministry.” (PPF #5). The Human Formation Program thus

exists to empower seminarians to become mature, balanced men who can effectively exercise ministerial leadership in the midst of a diversified Church. In order to achieve this purpose, the Human Formation Program sets for itself the objective of forming seminarians in light of the following goals:

1. Seminarians who display emotional and psychological maturity.
2. Seminarians who demonstrate a healthy balance in their lives.
3. Seminarians who evidence openness to diversity.
4. Seminarians who demonstrate leadership.

Spiritual Formation

Spiritual formation is at the heart of any Seminary program. The College Seminary Spiritual Director coordinates the Program of Spiritual Formation. This program intends to promote and foster a spiritual life for students, as individuals and members of a community, through which they become better prepared to enter into intimate union with God the Father through his Son Jesus Christ in the Holy Spirit.

Growth in the spiritual life is fostered in many different ways. Formed by the Word of God, the seminarian is guided to discern his response to God’s call. The college seminary community gathers daily for the Holy Eucharist, and morning and evening prayer. Since a sustained communion with God is essential for the discernment to the priestly life, students are expected to set aside

time each day for personal prayer and spiritual reading. The Sacrament of Reconciliation is offered daily before the celebration of the Eucharist. Also, different devotions are an important aspect of the seminary’s spiritual life.

The purpose of the Spiritual Formation Program is to implement the spiritual development aspects of the Program for Priestly Formation by fostering in its seminarians the attitudes, habits, and practices of their spiritual life that will help them discern God’s presence in the world and in their lives. In order to accomplish this, the Spiritual Formation Program sets for itself the objective of forming seminarians in light of the following goals:

1. Seminarians who progressively develop their identity as men with a God-given human vocation.
2. Seminarians who progressively develop their sense of identification with the Church.
3. Seminarians who develop a sense of the value and relevance of the sacramental life to their human and Christian vocation.
4. Seminarians who progressively develop their understanding that love of God and love of fellow human beings is the foundation of a well-formed conscience.
5. Seminarians who progressively grow in love of their immediate community and of the human community at large.
6. Seminarians who progressively develop their understanding that the priestly vocation is a vocation to service.
7. Seminarians who progressively develop their understanding of the importance of prayer and

discernment in the life of service to the Church community.

8. Seminarians who progressively develop an appreciation of the importance and value of celibacy to their priestly vocation.

RETREATS - Retreats for spiritual growth are an integral part of seminary life. Days of Recollection are scheduled throughout the year, generally under the guidance of an outside director. In addition, there is a three-day retreat for the new seminarians as part of their New Student Experience and a major retreat is held annually for the whole student body.

SPIRITUAL DIRECTION - At the beginning of each academic year, every seminarian chooses a Spiritual Director from a list of designated priests. He meets with his Spiritual Director at least twice a month. The spiritual director is the key person in every seminarian’s personal and spiritual growth, especially regarding his discernment of a vocation to the priesthood. According to Church law, their relationship is conducted in an atmosphere of confidentiality. All seminarians are required to take advantage of spiritual direction.

LITURGICAL LIFE - The college seminary is a house of prayer, and as such, liturgical life is intimately linked to all areas of formation. The center of that liturgical life is the Eucharist. Mass is celebrated daily, and seminarians are required to attend and assist with serving in various functions. Multicultural traditions are respected, with proper deference to the heritage of various Latin responses and chants.

The Liturgy of the Hours is also a daily ingredient in the prayer life of a man discerning the priesthood of Jesus Christ, and is celebrated in common as part of the liturgical life of the college seminary.

Private devotions are encouraged, and the Rosary and a Holy Hour with Benediction of the Blessed Sacrament are celebrated in common on a weekly basis.

The Sacrament of Reconciliation is encouraged within the context of spiritual direction. The sacrament is also available through penance services and before each daily mass.

Pastoral Formation

The Pastoral Formation Program of St. John Vianney College Seminary exists to instill and nurture in its seminarians the ministerial sensibilities required for a life of active work in the Roman Catholic priesthood. This program is designed in fidelity to the norms

established by the *Program of Priestly Formation* of the U.S. Conference of Catholic Bishops: “The goal of the seminary program is to prepare priests who have a comprehensive pastoral outlook, ready to assume the pastoral duties which their service to the community demands. This service requires special concern for individuals and groups alienated from society and the Church either by accident or by choice.” (PPF #193) The Pastoral Formation Program consequently is intended to assist the seminarians of the institution in becoming educated and self-reflective ministers of the Good News of the gospel, who are also sensitive to the varied needs and vulnerabilities of those to whom they are sent. This task is carried out in the following way: first, by helping the seminarians to become familiar with the basic reality of pastoral ministry and its required skills through coursework; second, by allowing the seminarians to exercise and grow in those skills in the context

of field education placements in the local community; third, in light of their coursework and field placement assignments, to assist the seminarians in assessing their understanding of ministry and their growth in its required skills through the exercise of self-reflection and guidance. In order to achieve this, the Pastoral Formation Program establishes for itself the objective of forming seminarians in light of the following goals:

1. College seminarians who understand the aim of pastoral ministry.
2. College seminarians who can work within the structures of pastoral ministry.
3. College seminarians who can assess pastoral effectiveness.

Intellectual Formation

The purpose of the Academic Program is to implement the academic aspects of the *Program of Priestly Formation*, which are necessary for St. John Vianney College Seminary to fulfill its goals and, thereby, its mission.

This means that the Program must offer the necessary elements to allow its graduates to earn a Bachelor of Arts in philosophy; or in the case of its pre-theologians, the necessary foundation in philosophy and theology for graduate studies in theology.

In order to accomplish this, the Academic Program establishes for itself the objective of forming

seminarians in light of the following goals:

1. Students who are well-grounded in the humanities.
2. Students who possess critical thinking skills which will enable them to analyze problems in an everyday context as well as in an academic context.
3. Students who develop an appreciation and respect for the value of learning and truth.
4. Students whose philosophical formation prepares them for theological studies at the graduate level.
5. Students whose undergraduate theological studies prepare them for graduate theological studies.

Academic Information

Admission

General Principles - A man who senses a call to priesthood and who has the support of his local church to pursue the discernment of that call should apply to a seminary. No other institution or discernment program can give to him the ministry entrusted by the Church to seminary formators. If a sense of a priestly call is present and affirmed by the local church, all should respond by “laying down their nets immediately and following the Lord as the Apostles did” (cf. Mt. 4:20).

The Church has a responsibility to discern wisely and prudently before calling a man to the Priesthood. No one has a right to Holy Orders. Therefore, formational discernment on the part of the Church is necessarily a slow process. In an age in which most educational institutions are trying to push students through, the Church demands that seminaries resist the urge to rush candidates towards ordination and use a “suitably prolonged period of formation” to assist the men to better form them academically, psychologically, and spiritually to meet the demands of ministry (Congregation for Catholic Education, 2008). With regard to transfer students, transfer placement in a class in formation is far from being a simple matter of counting credits. It is a matter of discerning what is best for the Church and the growth of the individual candidate. Only the seminary has the authority

to determine the class placement of its students.

Initial acceptance to a program of priestly formation must affirm that the candidate has the potential to be ordained. This requires certain levels of readiness for formation – even at its most initial stages. “All applicants need to have passed through certain thresholds of human, spiritual, intellectual, and pastoral development which will serve as foundations for further development” (PPF 36). The person needs to have a basic age-appropriate level of human development, affective health, psycho-sexual

maturity, and the genuine empathy needed to enter into community life and the process of formation. The person should be one who already prays daily, participates in the life of his parish, and participates regularly in the sacraments, particularly the Sunday Eucharist and the Sacrament of Penance. He should possess the intellectual ability to engage in college-level work. He should exhibit a sense of service and a willingness to be a man for others. In all of this, he must be one who can entrust himself to the Church with right intention (see PPF 37).

A Two-tiered Acceptance Process -

All applicants who wish to enter St. John Vianney College Seminary's program of priestly formation must first be accepted as a candidate of a diocese or religious community. The diocese or religious community will then coordinate with the individual the petition for acceptance by the Admission's Committee of St. John Vianney.

Thus, a two-tiered acceptance process is in place. This is the requirement of the Congregation for Catholic Education. This two-step review allows a more thorough screening of candidates through two different acceptance processes, better guaranteeing the readiness of the candidate and safeguarding the atmosphere of formation.

Sponsoring dioceses and religious communities must send all relevant documentation to the seminary in a timely manner (General Report of the Apostolic Visitation, Congregation for Catholic Education, 2008). Until this is done, the seminary may not make a decision regarding acceptance. The Admission Committee will meet in an ordinary session on the third Monday of April, the third Monday of May, and the third Monday of June. Spring Semester entrance is possible, but discouraged.

Application Requirements

1. A completed seminary admissions form.
2. Diocesan/Religious Community Sponsorship Information.
3. Autobiography.
4. Proof of completion of High School or Graduate Equivalency Diploma (GED).

5. Official transcripts of high school and college credits (when applicable) sent in officially sealed envelope.
6. A high school and college GPA of 2.0 or above.
7. Successful completion of a psychological evaluation coordinated by the sponsoring diocese or religious community (specific listing of requirements for assessments available upon request).
8. Complete physical examination and record of inoculations.
9. Three letters of recommendation, including one from the applicant's pastor or from another priest in good standing who knows the applicant well.
10. A personal interview for applicants of the Archdiocese of Miami is required. The seminary may also require such an interview for other applicants if deemed necessary in individual cases.
11. A Letter stating that there are no Canonical Impediments.
12. All sacramental records issued within the last six months.
13. Background check through VECHS or country of origin.
14. Immigration status materials when applicable.
15. Those who have been in formation before will be required to obtain the documentation required by the Church in such cases.

Other Considerations - After the receipt of all necessary documentation, the Admissions Committee of the College Seminary will consider the application,

make a decision, and inform the candidate and the sponsoring diocese or religious community of its decision. The Rector enjoys the canonical prerogative to revoke or change any decisions resulting from the procedural deliberations of all the institutional committees and councils (Canons 238, 239, 260).

After reviewing all of the necessary documentation, the Admissions Committee may request that the applicant visit the seminary for the purpose of interviews or further testing that may be necessary to come to a decision.

All potential applicants are encouraged to visit the seminary prior to application. Vocation Awareness Weekends are scheduled twice a year to acquaint all prospective candidates with life at the College Seminary.

Again, the seminary encourages all who are considering a priestly vocation to seek the guidance of their local Church. If that Church affirms the potential for a vocation, the candidate should apply. A seminary is the place to discern and be formed.

Non-Seminarians - (Degree Seeking) - Non-seminarians applying for admissions to the College simply should address their application to:

Office of Admissions
St. John Vianney College
Seminary
2900 S.W. 87 Avenue,
Miami, Florida 33165-3244

An application for admission by a non-seminarian is complete when the College has received the following:

1. A completed admissions form.
2. Proof of completion of high school or Graduate Equivalency Diploma (GED).
3. Official transcripts of high school and college credits from any institution of higher education previously attended by the applicant.
4. A high school and college GPA of 2.0 or above.
5. Three letters of recommendation, including one from the applicant's pastor or from a priest who knows the applicant well.
6. Personal interview with the Admissions Committee.
7. Background checks through VCHS or country of origin.

The application for the non-seminarian will be processed by the Academic Division which will subsequently notify the applicant of its decision. All academic rules and requirements listed in this catalog apply to non-seminarians as well.

Transfer Credit Policy - The previous college credit of a transfer student from an accredited institution will be accepted, provided that the grade for the course submitted was C (2.0 on a 4.0 scale) or better, and provided that the courses are compatible with the College Seminary's degree requirements. Transfer credit from a non-accredited institution will be considered on an individual basis. Grades and grade point averages (GPA) will not be transferred, nor will they appear on the College Seminary transcript. For transfer policy in the Major, please refer to the Philosophy Department

Section in the catalog. Acceptance of academic credit rests with the Academic Dean. Transfer of credit from this institution is at the discretion of the receiving institution.

Advanced Placement (AP) - College credit by examination is granted to students through the Advanced Placement Program (AP). At the discretion of the Academic Dean, and on a course-by-course basis, a maximum of 30 AP credits may be awarded for test scores of 3 or better in fulfillment of the General Education requirements. These credits are not considered in calculating the student's GPA. St. John Vianney College Seminary will accept a total of 30 credits from all testing programs.

International Baccalaureate (IB) - In fulfillment of the General Education requirements, and on a course-by-course basis, a maximum of 30 IB credits may be awarded for scores of 4 or better in IB examinations. These credits are not considered in calculating the student's GPA. Acceptance of academic credit rests with the Academic Dean.

College Level Examination Program (CLEP) - At the discretion of the Academic Dean, credit may be awarded for satisfactory scores on the General Examination or Subject Examination of the College Level Examination Program. The maximum transferable credit under CLEP – general and subject examination scores combined – is 30 semester hours. CLEP credit

will be granted in fulfillment of the General Education requirements. These credits are not considered in calculating the student's GPA. CLEP credits in any one discipline may not exceed six.

Registration

Course registration takes place prior to the official start of the semester for which courses are registered. Course registration will not be accepted after the late registration date. A military veteran should contact the Academic Dean prior to course registration to avoid any loss of eligibility and benefits.

Special Student (Non-degree seeking) Registration - A special student is someone who at the time of registration has no intention to pursue a degree at the College Seminary. Specific course registration can be arranged to meet the particular academic needs of such a student. No more than 25 semester hours earned as a Special Student may apply toward a degree program at the College Seminary.

A special student who desires to seek an academic degree, must complete all admission procedures as specified in the catalog.

International Students - A non-US citizen or resident whose home residence is outside the United States or its territories may attend the College Seminary under a student visa (F-1). Such a person must meet the regular admission requirements of the College Seminary, all governmental requirements, be full-time and not accept paid employment off-campus.

International Student Application Procedures - The applicant must apply for a student visa (F-1) through the American consulate or embassy in his home country.

The applicant must request and/or forward an Application for Admission at least three months before the first day of classes. The College Seminary will request a letter from the sponsoring Ordinary with the Declaration and Certification of Finances to the applicant upon acceptance of his application. The purpose of this letter is to verify that the total funds available to the student during the period of enrollment will at least equal the total estimates of institutional and personal student costs.

The Declaration and Certification of Finances must be received at least six weeks before the first day of classes.

Upon verification of the student's finances, the College Seminary will forward to the student a Certificate of Eligibility.

Academic Advising

At the beginning of the academic year, the Academic Dean assigns an academic advisor to each student. The Academic Advisor assists each student in organizing a Plan of Studies pursuant to the College.

The Academic Advisor is also to serve as liaison between the student, the faculty, and the Academic Dean in academic matters.

Student Responsibility

The student is responsible for knowing and fulfilling all regulations and requirements of the Academic Program as described in the catalog. Any uncertainties should be resolved by conference with the Academic Dean. All exceptions must be in writing and signed by the Academic Dean.

Examinations and Reports

All examinations and/or assignments in a given course are administered at the discretion of the individual instructor. The Academic Dean schedules only the final examinations for all courses. At the end of each semester, students are given the opportunity to evaluate the courses taken and their instructors, using a standardized form.

Independent Study

An independent study course is a tutorial course designed to meet the particular needs of a student. Such course work can be taken for credit, provided that the necessary arrangements have been made with the instructor after consultation with the Academic Advisor. The permission of the Chair of the Department or Coordinator of a Program is required when the proposed independent study course involves either a faculty member of a Department or Program.

The permission of the Academic Dean is always required.

The contents and standards of an Independent Study Course must be equivalent to a regular academic offering. An Independent Study Course cannot normally substitute for required course credit and can be undertaken only under special circumstances.

Grading System

The goals and the student's learning outcomes required for the successful completion of each course are specified in the course's syllabus as determined by the instructor. A copy of the syllabus for each course is maintained in the Office of the Department and in the Office of the Academic Dean. The following scale is used in assigning grades:

A	93-100%.....	4.0
A-	90-92%	3.7
B+	87-89%	3.3
B	83-86%.....	3.0
B-	80-82%.....	2.7
C+	77-79%	2.3
C	73-76%	2.0
C-	70-72%.....	1.7
D+	67-69%.....	1.3
D	63-66%.....	1.0
D-	60-62%	0.7
F	Below 60%	0.0
FA	Failure because of absences	0.0
I	Incomplete	0.0
P	Satisfactory with credit	0.0
T	Audit.....	0.0
WP	Withdraw Passing.....	0.0
WF	Withdraw Failing	0.0
W	Withdrawal-no grade ..	0.0

Incomplete - A grade of incomplete (I) is assigned by the instructor of the course on a temporary basis to indicate that the student has been unable to complete the course work required by the syllabus. The decision to assign an incomplete is at the discretion of the instructor. A grade of incomplete must be removed at the end of the succeeding semester; otherwise, it becomes an F. The responsibility for carrying out the necessary work to remove the grade of incomplete falls on the student. Exceptions to this rule must be presented in writing to the Academic Dean for his/her approval.

Course Additions and Withdrawals - At the beginning of each semester there is a grace period of one week during which a student may amend his semester registration by adding or subtracting a course after obtaining the approval of his/her Academic Advisor. Between the second and the fifth week of classes a student may withdraw from a course without a grade being recorded in

his/her transcript.

Withdrawing from a course after the fifth week will be recorded as WP or WF. A grade of WF (withdrawal while failing) will count as an F in the computation of the student's Grade Point Average.

Procedures for Grade Appeals -

A student may appeal the grade received on any given course provided that he/she follows the procedures listed below.

1. The student must request a conference with the course instructor to review his/her grade for the course. If this conference results in the resolution of the student's grievance to the satisfaction of the student's appeal, the instructor must submit a grade change to the Registrar.
2. If the meeting with the course instructor is not successful in resolving the student's grievance, the student must write an official request to the Department's Chair or, in the absence thereof, to the Academic Dean officially requesting a review of his course grade.
3. Upon receipt of the student's official request, the Academic Dean or Department Chair will convene a conference with the student and the course instructor in addition to others who may be requested to attend at the discretion of the Department Chair or Dean. After the Department Chair or Dean has reviewed all the pertinent materials submitted, he/she will issue a formal written decision on the matter.
4. If the Department Chair's or Academic Dean's decision is unacceptable to the student or the instructor, a Grade Appeals Committee will be convened by the Academic Dean. The Grade Appeals Committee will be constituted by:
 - a. A member of the faculty selected by the student.
 - b. A member of the faculty selected by the course instructor.

- c. A member of the faculty agreed upon by the above.
5. The Grade Appeals Committee shall review all materials presented to them and shall render their decision to the Department Chair or the Academic Dean. This decision shall be final and binding.

Audited Courses - An audited course may not be changed to a credit course after the add/drop date.

Grade Point Average (GPA) - A student's grade point average is determined by dividing the total number of quality points by the number of semester hours attempted (except for grades WP, T, or I). For graduation, a student must achieve a minimum 2.0 GPA in both his/her major program of studies and in his/her overall plan of studies.

When an "F" graded course is repeated, only the repeat grade counts. Though both attempts remain on the student's transcript, the cumulative GPA will reflect only the grade of the repeated course. A student may not repeat a course more than three times.

Grade Reports and Transcripts - At mid-term, each student receives a grade report and at the conclusion of the semester a complete grade report is mailed to each student and, upon his consent, to the Ordinary or Religious Superior. Only the final semester grades appear on the student's permanent record.

An official transcript of academic credits, bearing the seal of the College Seminary and signed by the Registrar, will be provided to any institution, contingent upon

an official written request signed by the student. Official transcripts are not given directly to students. The transcript fee is \$5.00 per copy, payable at the time of the request. The College Seminary reserves the right to withhold the request of transcripts of those students who have not fulfilled their financial obligations and/or have failed to return all pending College Seminary property (e.g., library materials).

Unit of Credit

The unit of credit at St. John Vianney College Seminary is the semester hour. Most courses earn three semester hours of credit.

Course Numbering System

The numbering of courses at St. John Vianney College Seminary is based on the following criteria: Freshman courses are numbered from 100-199; Sophomore courses are numbered from 200-299; Junior courses are numbered from 300-399; and Senior courses are numbered from 400-499.

Classification of Students

Full-time students: Students who carry twelve credits or more in any given semester.

Part-time students: Students who carry less than twelve credits in any semester.

Academic Status:

Freshman	0-30 Credits
Sophomore	31-60 Credits
Junior	61-90 Credits
Senior	91+ Credits

A student's academic status is not an indicator of his/her graduation date; it only indicates the number of credits successfully earned.

Scholastic Year

The scholastic year consists of two (2) semesters, fall and spring.

Course Load

Full-time students must register a minimum of twelve (12) semester hours and a maximum of eighteen (18) semester hours, per semester. Any student wishing to register more than eighteen semester hours must secure the approval of the Academic Dean.

Class Attendance

Students are expected to attend all classes they are registered for. If a student expects to be absent, he/she should request permission in advance from the course instructor. In case of illness or any other justified reason, the Dean of Students will inform the Academic Dean who will proceed to inform the instructor. In all cases, students are responsible for making up any work missed due to an absence.

A total of three absences, excused or unexcused, from any class, may result in a grade of FA. Students

in this situation will be referred to the Academic Dean. As with any disciplinary process, there is a process of appeal that is explicitly outlined in the *Principles of Formation Handbook*.

Probation/Dismissal

A student whose GPA for a semester falls below 2.0 shall be placed on academic probation and must be officially notified by the Academic Dean of his/her status.

A student on academic probation may not register more than 15 credit hours. Under normal circumstances, a student whose GPA falls below 2.0 for two consecutive semesters will be dismissed. However, after consideration of the specific circumstances of a student, the Academic Dean may specify the requirements for continuing enrollment. A student who does not meet the requirements for continuing enrollment will be dismissed.

Transfer students who are on academic probation from their

previous college are placed on academic probation at the College Seminary as well. Receiving a GPA lower than 2.0 for their first semester at St. John Vianney College Seminary may result in dismissal from the college seminary.

Repeated Courses

Required courses with a grade of F or FA must be repeated. If they are not required courses, they may be repeated. Students may also repeat a course to improve the grade earned in it. In any event, all grades received

Re-admission

A dismissed student may be re-admitted provided that the condition(s) that warranted dismissal have been removed and the Ordinary or Religious Superior supports his re-admission.

Honors

The Dean's List is published at the end of each semester.

All full-time students whose semester GPA is 3.5 or above are eligible for this honor. Students with a semester grade of D, F, or I, in any of their courses cannot be considered for this honor.

Each year, outstanding seniors are nominated by their peers and by the faculty for inclusion in the annual edition of Who's Who Among Students in American Universities. The criteria for this honor are scholastic excellence, leadership on campus, and volunteer services to the wider community.

Conferral of degrees with honors will be determined on the basis of the student's cumulative GPA. Graduating seniors who have attained an appropriate GPA level will be awarded the Baccalaureate Degree with academic distinction according to the following standard of academic excellence:

Cum Laude..... 3.50 GPA
Magna Cum Laude..... 3.65 GPA
Summa Cum Laude..... 3.80 GPA

Privacy Act of 1974

The family Educational Rights and Privacy Act of 1974 guarantees

students the right to inspect and review their educational records. It also provides the rights of privacy protection by limiting the transferability of students' records without their consent. Specific guidelines for the implementation of the Act are administered by the appropriate College Seminary officials.

Academic Honesty and Integrity

High standards of honesty and integrity must be maintained by all students. In the academic area, this applies to:

1. Cheating on assignments or examinations.
2. Plagiarism.
3. Unauthorized access to college records of any kind.

Violation of these standards could result in a failing grade on the assignment or in the course without

the possibility of withdrawal. A student may face suspension or dismissal depending upon the nature of the offense as determined by the Rector-President.

Copyright and Plagiarism

St. John Vianney College Seminary students are expected to abide responsibly by the "fair use" doctrine for copyrighted materials. All written assignments should be prepared with full integrity according to the protocols of Turabian, A Manual for Writers (Sixth edition). Plagiarism is a grave offense which could result in an "F" in the course, and according to the specific circumstances surrounding the offense, the possibility of dismissal from the College Seminary. Students in this situation will be referred to the Academic Dean.

A Bilingual Program

The 5th edition of the *Program of Priestly Formation* recognizes the growing pluralism in Church and society in the United States and recommends “the study of the Spanish language and Hispanic cultures as well as other pastorally appropriate languages and cultures.” (PPF 182) St. John Vianney is committed to support and advance this vision of the Church and of the formation of college seminarians. As stated in its Mission Statement, St. John Vianney is committed to the human, spiritual, pastoral, and intellectual formation of college seminarians within a bilingual (English-Spanish) and multicultural setting. Drawing from Miami’s multicultural richness, the College Seminary’s formation program pays special attention to the cultural realities of our country.

Lower level courses are taught in English and Spanish. Completing a course or program in a language other than English may reduce employability where English is required.

Library

The Maytag Memorial Library at St. John Vianney is one of the largest seminary libraries in the South. It first opened in 1981, and its bilingual collection has grown since then to over 56,000 volumes and about 150 periodical subscriptions. New electronic resources and services are available to the faculty and students through automation.

The library also provides different types of audio visual materials to serve the academic, spiritual, cultural and recreational needs of its faculty and students. These include compact discs, videos, DVDs, films, slides, etc. Since the fall of 1998, St. John Vianney has joined St. Thomas University in a cooperative electronic link of the two main libraries. This cooperative linkage has provided both institutions with greater access to many resources through the Web, and with interlibrary loan privileges through the SEFLIN network.

The greater part of this cost is underwritten as a subsidy by the Archdiocese of Miami out of interest earnings on the College Seminary bursary fund. weekdays from Monday through Friday, and may be reached by calling the campus, scheduling an appointment, or on a walk-in basis.

For those who qualify to receive financial aid, St. John Vianney participates in the Title IV Federal Student Aid Program, the Federal Pell Grant and the Federal Family Loan Program. It also participates in Florida Student Assistance Grant, and the Bright Futures Scholarships.

Students wishing to receive

financial aid must meet all eligibility requirements. The amount of financial assistance the student will be qualified to receive depends upon the student’s financial need.

Please refer to the Financial Aid Brochure, available at the Financial Aid Office, and to Federal Student Aid (FAFSA) online at www.FAFSA.ed.gov or call 1-800-4-FED-AID for application forms and for specific information and guidelines.

SJVCS Repayment Policy - If a student withdraws or stops attending classes before completing 60% of the term, a portion of the total federal aid he/she received, excluding Federal Work Study earnings, may need to be repaid immediately.

The amount of federal aid the student must repay is determined by the Federal Formula for Return of Title IV funds (Section 484B of the Higher Education Act). This law also specifies the order in which funds

are to be returned to the financial aid program from which they were awarded, starting with the loan programs.

The student may be required to make a repayment when cash has been disbursed from financial aid funds in excess of the amount of aid he/she earned (based on the date of withdrawal) during the term. The amount of Title IV aid earned is determined by multiplying the total Title IV aid (other than FWS) for which the student qualified, by the percentage of time during which he/she was enrolled in the term.

If less aid was disbursed than was earned, the student may receive a late disbursement for the difference.

If more aid was disbursed than was earned, the amount of Title IV aid the student must return (i.e., not earned) is determined by subtracting the earned amount from the amount actually disbursed.

The responsibility for returning unearned Title IV is shared between the College Seminary and the student.

The College Seminary and the student share the responsibility for returning unearned Title IV funds.

This responsibility is allocated according to the portion of disbursed aid that could have been used to cover the College Seminary charges, and the portion that could have been disbursed directly to the student once those charges were covered.

The College Seminary will distribute the unearned aid back to Title IV programs, as specified by law. The student will be billed for the amount that he/she owes to the Title IV programs, as well as any amount due to the College Seminary after the return of unearned Title IV funds.

Standards of Satisfactory Progress

- In order to receive any Title IV assistance, the student must be proceeding in a positive manner toward fulfilling the requirements for the B.A. degree. These requirements may ordinarily be fulfilled in eight semesters but a student may require up to ten semesters for completion.

A student on academic probation is still eligible to receive Title IV funds. However, he/she must meet the requirements for continuing enrollment specified by the Academic Dean. In case of dismissal,

re-admission will be considered on a case-by-case basis. Should a dismissed student be re-admitted, he/she would be eligible to receive Title IV funds.

Veteran's Financial Assistance

- U.S. veterans and others interested in applying for veteran's benefits should contact their local Veterans Affairs Office for specific information and forms. Persons receiving such assistance should periodically contact their VA office to learn about changing regulations.

Scholarships

Roughgarden Fund - The George Coventry Roughgarden and Nita Schmidt Roughgarden Fund was established by Miss Rita Patton in honor of the late Stephen Wheeler, a St. John Vianney College seminarian. Matched by the Archdiocese of Miami, its yearly income is used for student grants and loans.

Holy Family Fund - The Holy Family Scholarship Fund was established through the donation of a benefactor in memory of a Catholic Family. The yearly proceeds of this fund assist seminarians in their seminary education.

Sister Trinita Fund - Sister Trinita Scholarship Fund was set up to honor and commemorate Sister Trinita Flood on her Golden Jubilee of Sisterhood. This fund's yearly income is used for student loans and grants.

Academic Programs

All courses at St. John Vianney College Seminary are organized and grouped together under an appropriate department or program. Departments are headed by a Chair, programs are led by a Coordinator.

Philosophy Department

J.A. Solis-Silva, Ph.D., Chair

General Statement of Mission.

The program of the Philosophy Department is designed for the philosophical formation of men called to the ministerial priesthood in the Church. This program, designed in accordance with the mandate contained in the Program of Priestly Formation of the U.S. Conference of Catholic Bishops, is a threefold project: the formation of mature, wise human beings, the formation of committed and enlightened Catholics, and the formation of priests who understand and appropriate philosophical reflection for its own

formational and sapiential value, and for its value as indispensable preparation for theological study. The Philosophy Department serves as the specific instrument, within the College Seminary structure, for the development of an academic environment conducive to a reading, learning and doing of philosophy that is meaningful and stimulating to the men who undertake its study and that is integrated into their overall formation. This study of philosophy should help students on their road to wisdom and personal commitment as well as lead them to academic excellence and the development of a solid foundation for the study of theology. Philosophy is the major study concentration of the Bachelor of Arts degree program offered by the College Seminary.

Learning Outcomes.

The Philosophy Department sets for itself the mission of educating students in terms of the following student outcomes:

1. Students who are proficient in communication and research skills;
2. Students who are knowledgeable in the General History of Philosophy;
3. Students who are well-grounded in the tradition of Catholic perennial philosophy and who are at home with its terminology, its approach, and its major figures.
4. Students who are competent in Systematic Philosophy, in its current formulation in keeping with the Catholic tradition;

5. Students who are solidly grounded for theological studies at the graduate level

Attention will be paid to the cultural-historical context in which the plays came to be. Moreover, the course deals with the question how these plays were “received” in the literature and art of later times; a special focus is on how famous 20th century directors like Cacoyannis, Pasolini, Bergman and Polanski interpreted these plays in their film productions.

Films will be analyzed in terms of their non-thematic philosophical presuppositions as well as their thematic content. The course will include lectures, film viewing and guided critical discussion.
Junior or Senior status is prerequisite, or approval of Chair.

- d. After securing the approval of the Project, the student will register the elective course which will best help him/her to carry out this Project and will begin to work on it, in close collaboration with his or her mentor.
- e. In the spring semester of his/her junior year, the student will present his/her Project in an institutional event specifically reserved for that purpose (Student's Humanities Project Presentations).

ESL Program

Barbara Redondo, M.A. in TESOL, Program Coordinator

Bachelor of Arts graduates of Saint John Vianney College Seminary must be competent in their command of the English language. For students whose native language is not English, St. John Vianney College Seminary offers an ESL Program structured according to their English language proficiency. At the time of a student's admission, the level of instruction in which he/she should matriculate is determined by the results of a college-administered placement test.

Mission and Learning Outcomes.

The mission of the ESL Program is to help students who are not

native speakers develop the English language skills necessary to undertake their studies in English. The ultimate goal of the Program is to ensure that students achieve a competent level of language proficiency. Upon completion of the Program, the student should be able to:

1. Read and discuss college level materials
2. Write his/her class assignments in English.
3. Communicate fluently.
4. Comprehend spoken English.
5. Reach a level of proficiency that would enable him/her to attain a minimum score of 60 in the TOEFL.

Instruction Levels

In order to carry out those goals, students receive instruction in the core language skills in three levels: beginning, intermediate and advanced. A TOEFL preparation course is also offered at the conclusion of the Program and a remedial course for those who have not been able to achieve the passing TOEFL score. As students progress in the ESL Program, they gradually begin to make the transition to the regular undergraduate curriculum. The three-level academic program designed for non-native speakers is as follows:

- Level 1 is comprised of 15 hours of ESL non-credit instruction per week.
- Level 2 is comprised of 12 hours of ESL non-credit instruction per week.
- Level 3 is comprised of 9 hours of ESL credit instruction per week.

Level 1 students can also register for one for-credit course according to the requirements of their major. This course is offered in both English and Spanish.

Level 2 students can also register for two for-credit courses according to the requirements of their major. These courses are offered in both English and Spanish.

Level 3 ESL courses are offered for credit and students are concurrently enrolled in two or three additional for-credit courses according to the requirements of their major. These courses may be offered in both English and Spanish.

Elementary and Intermediate ESL.

Students who score in the beginner or low intermediate range will enter the non-credit ESL propaedeutic year program as ESL seminary aspirants or as non-resident students. Seminary aspirants live with the College Seminary community and during their ESL studies, are fully integrated into the College Seminary's human, spiritual, and pastoral formation program.

Upon completion of their propaedeutic year, ESL students, who have maintained a B average in their course work (and obtained an acceptable score on the institutional English Test for students completing each level,) they will be allowed to continue in the Program. If, after the propaedeutic year, an aspirant or non-resident student is unable to show the necessary progress for full admission into the seminary program and into the advanced ESL curriculum, it is recommended that the student take additional course work in a separate institution.

Advanced ESL. All students whose native language is not English but

who have earned a placement score in the high intermediate or advanced range will register for the advanced, credit-earning ESL program.

After successfully completing the ESL Program, students will register for ESL 318 to prepare for the TOEFL, which they will take at the conclusion of the course. If they achieve a score of 60 or above, they are officially out of the ESL Program and can proceed to meet their regular English curriculum requirements. If, however, they score between 51 and 59, they will be placed in a remedial English language foundation course in which the ESL coordinator will continue working with them according to their individual needs to help them achieve the passing TOEFL score. Students who, after completing the ESL program, fail to achieve a minimum TOEFL score of 51 cannot proceed with their studies in the regular curriculum. Failure to achieve the minimum TOEFL score of 51 at such time may result in dismissal from the college seminary.

Completion of the ESL Program. Once students have successfully completed the ESL program, and passed the TOEFL, they are required to take an additional six (6) hours in the English language curriculum. The requirement may be fulfilled by English 101 and 102 or any two Literature course(s) recommended by the ESL Coordinator.

Pre-theology Program

Rev. Dr. Ferdinand S. Santos, M.A.,
Program Coordinator

St. John Vianney College Seminary offers a special two-year Pre-theology program for candidates for the Roman Catholic priesthood who have completed their baccalaureate degrees and are preparing to enter graduate studies in theology. The Pre-theology program provides the requirements for the philosophy and theology courses laid down by the *Program of Priestly Formation*. Before entering this program, students whose first language is other than English must attain a minimum score of 60 on the test of English as a Foreign Language (TOEFL). If the student is unable to meet this requirement, he will first matriculate in the Propaedeutic ESL program described in the ESL Section of this catalog.

The Pre-theology program is designed as a two-year experience in philosophy, theology and priestly formation. At the completion of the Pre-theology program the student will be awarded a Bachelor of Philosophy degree (B.Phil.).

Admission Requirements

In addition to the Admission requirements stated on pages 16-17, candidates to the Pre-theology program must fulfill the following requirements:

1. Official transcripts of high school, undergraduate and graduate credits sent directly by the school(s) attended.
2. Non-English speaking students will be tested for English language proficiency. Their test scores will determine whether they enter the Pre-Theology Program directly or whether they must first complete the Propaedeutic ESL Program as described in the ESL Curriculum.
3. Biography describing the genesis of commitment to the priesthood and to theological studies.

Mission

The Pre-theology program is designed to serve the needs of students who come to the College Seminary with the same goals as the rest of the students, but who have already earned a Bachelors of Arts degree at another institution and have majored in a discipline other than philosophy. It is the mission of the Pre-theology program to guide those students so that they may reach the academic student outcomes set out by the Mission Statement of the institution.

The Pre-theology program, in order to carry out that responsibility, has adopted for itself a set of expanded student outcomes that combines the institutional student learning outcomes as refined and operationally defined by the Philosophy Department and by the General Education program. Those refined and operationally defined student learning outcomes are as follows:

Student Learning Outcomes.

1. Students who are knowledgeable in the general history of Western philosophy.
2. Students who are grounded in the tradition of Catholic perennial philosophy and who are familiar with its terminology, its approach, and its major figures.
3. Students who have a basic knowledge of systematic philosophy in its current formulation, in keeping with the Catholic tradition.
4. Students who are grounded in philosophy for theological studies at the graduate level.
5. Students who have a basic and introductory understanding of the development of diverse cultural expressions in their connection to philosophical and theological thought.
6. Students who have a basic introductory understanding of the Old and New Testaments.
7. Students who have a basic knowledge of the fundamental beliefs and practices of the Roman Catholic Church.

Studies in Philosophy

Students in the Pre-theology program will take a minimum of thirty (30) credit hours in philosophy. Additional hours may be necessary depending on their academic needs and the expectations of the theologate for which they are ultimately bound. Students must maintain a GPA of 2.0 in their pre-theology courses.

Studies in Theology

Pre-theologians are required to take a minimum of twelve (12)

credit hours in theology. Given the greatly varied background of those entering as pre-theologians, this program uses an adult learning model which is an integrated process of basic theological learning with personal, spiritual, communal and apostolic development. The program's theology curriculum consists of courses which are introductory in nature and of courses specifically offered to address the needs of pre-theologians. In both cases, the curriculum serves the worthwhile purpose of giving students a deeper understanding of and appreciation for the rich tradition and teaching of Roman Catholicism.

Formation

Formation is an essential component of pre-theology. Students of this program participate in the common formation program offered to all seminarians, but they have their own residence and their own director. This director works closely with the College Seminary's Academic Dean and oversees the academic and formational components of pre-theology.

Besides participating in the common formation program offered to all the seminarians, the pre-theology students will be offered additional opportunities in various spiritual activities which will assist them in their spiritual development.

Pre-theologians have two formal evaluations during the school year: one in the fall and one in the spring. These evaluations follow the format of the St. John Vianney College Seminary evaluation for its degree-seeking seminarians.

The Academic Dean will make this determination in consultation with the student's Academic Advisor and the Coordinator of the Humanities Program.

ST. JOHN VIANNEY COLLEGE SEMINARY CAMPUS PLAN

Student Services Division

Mission - The Student Services Division of St. John Vianney College Seminary exists to provide students with support services to reasonably meet their human and institutional needs. These services include an orientation program for new resident students, adequate housing to suit resident students' practical needs, a safe campus environment, health and medical services and the structure of a student government. The Dean of Students is immediately responsible for this Division. The faculty and staff of the College Seminary collaborate with the Dean of Students in implementing the various services rendered by this Division. For further understanding of the college seminary life, seminarians are referred to St. John Vianney Seminary's Principles of Formation.

The New Student Experience

The New Student Experience is a required orientation program for new resident students of St. John Vianney College Seminary. The New Student Experience is designed to help new resident students attain familiarity with the basic areas of priestly formation, the dynamics

of community life, the location and rules of operation of campus facilities and general knowledge of the community at large. The New Student Experience takes place immediately prior to the official beginning of the academic year. During the New Student Experience students live on campus. The New Student Experience Team, which consists of a select number

of returning seminarians, assists the Rector, the Dean of Students and other qualified personnel in the coordination of the orientation program's activities. Such activities include a series of conferences, orientation sessions, workshops, on-campus social functions, outings to places of interest in the local South Florida community, and an off-campus retreat.

Student Housing

All resident college seminarians of St. John Vianney College Seminary are provided housing that features adequate dormitory, meal, laundry, and recreational facilities to suit their practical needs. Dormitory facilities feature rooms equipped with a bed, closet area, desk and sink. Rooms may be private or shared with one roommate. Common bathrooms with individual showers are available to resident students on every floor. Meals, including breakfast, lunch and dinner, are prepared for resident students by a professional staff in the St. John Vianney Seminary Refectory every day except during academic breaks. A laundry room equipped with washers, dryers and other practical amenities is also available to seminarians in their building of residence. The building of residence also features the following recreational facilities: a large community room (equipped with kitchen and dining space, a sitting area, and a recreational games section), multiple television rooms, a workout room, and a pool hall. Other on-campus recreational

facilities include tennis courts, an indoor gymnasium equipped with a basketball court and a weight room, a swimming pool and multiple fields for outdoor sports such as baseball, softball and soccer.

Campus Safety

St. John Vianney College Seminary provides a safe campus environment through the implementation of its various disciplinary policies and the supervision of a security crew.

Health and Medical Services

St. John Vianney College Seminary is committed to fostering the overall well-being and wholeness of its seminarians. As a result, health and medical services are made available to the resident seminarians of the institution. Basic medical supplies and standard over-the-counter medications are provided free of charge for resident students in the case of minor medical

emergencies. In the case of major medical emergencies and the need for major medical attention for its resident seminarians, the institution provides a medical referral program and transportation services. An on-campus infirmary equipped with private dormitory and bathroom facilities is available for resident seminarians in need of extraordinary and prescribed convalescence.

Student Government

The Student Council of St. John Vianney College Seminary exists to ensure that the resident student body has a constitutional student government through which its needs and concerns can be represented before the administration of the institution. The Student Council is governed by its constitution and encompasses all resident students of the institution as its members. Annual elections are held within the governmental body for the offices of President, Vice-President and Secretary as well as for the offices

of individual Class Deans. The Student Council meets periodically throughout the academic year to address issues, concerns and proposals to be presented in a spirit of dialogue before the administration of the institution. It also organizes a series of on-campus social functions for resident seminarians.

Alumni Association

The purpose of this Association is to foster fraternity among the alumni, to coordinate an Annual Reunion of the Alumni at the Seminary, to provide support for the Seminary from the membership, and to seek such support from the benefactors and friends of the Seminary. Membership in the Association is open to all alumni of the College Seminary, lay, and clerical.

Policy Against Harassment

The College Seminary is committed to providing an environment free of any kind of harassment. In keeping with this commitment, the college will not tolerate harassment of its students or employees by anyone, including any supervisor, co-worker, student or vendor of the College Seminary. The College Seminary Policy Against Harassment is contained in the Faculty Manual.

Drug-Free Environment

The unlawful possession, use or distribution of illicit drugs or alcohol on school premises or property, or as part of any of its activities by employees, instructors and students of this institution is against the policy of the College Seminary. For more information on College Seminary Policy, refer to the Principles of Formation Handbook.

Policy on Hazing

Hazing is defined as any act, whether physical, mental, emotional or psychological, which subjects another person, voluntarily or involuntarily, to anything that may abuse, mistreat, degrade, humiliate, harass, or intimidate him or her, or which may in any fashion compromise his/her inherent dignity as a person.

Hazing is inherently in conflict with the mission of Saint John Vianney College Seminary and, therefore, will not be tolerated. Every effort will be made to ensure that students will not encounter the humiliation and danger of hazing.

Placement Assistance

While St. John Vianney offers placement assistance to all its students, employment is not guaranteed.

Complaints and Appeals Procedures

The student may initiate a complaint or appeal any decision related to a requested accommodation or auxiliary aid to the Academic Dean. Such an appeal must be made in writing to the Dean no later than 10 days following the decision as to a requested accommodation or aid. Any position paper, brief, medical documentation or other written material, which the student desires to be reviewed by the Dean, shall be submitted together with the notice of appeal. The Academic Dean shall investigate and respond to the notice of appeal in writing, stating his or her decision, together with the reasons for either affirming or reversing the previous decision as to accommodation, or, auxiliary aid. A student may, within 10 days of the Dean's written decision on a student's appeal, file a second appeal with the Rector/President.

The decision of the Rector/President shall be in writing and shall be final and binding upon the student and the college seminary. All records of students' complaints and appeals are stored in the office of the Academic Dean. Unresolved conflict should be referred to SACSCOC or the Commission for Independent Education at:
