MAPLEWOOD CARES - THE FIRST SUNDAY OF EACH MONTH

We are always looking for things, large and small, that we can do to share the goodness God has shown to us with others. We're asking folks to purchase men's and/or women's underwear of all sizes and socks (preferably white), and to bring them to church, unopened, still in the packages, as these will be delivered to homeless shelters and homeless outreach programs. Please consider joining others in helping those in need in this simple way in the months and weeks ahead.
