

Dear Mr Jefferson,

Thank you for your request for information received on 07 October 2016, in which you asked for a list of council-run buildings (including Libraries, Day Care Centres, Community Centres, Schools and Administrative bases) which the Council has had to close since 2010 due to Government cuts in budget making it no longer financially viable for the Council to keep such buildings open. The list to provide the name of the buildings and the postcodes of the buildings.

My response is as follows:
