Mary, Karen Clay and Commissioners
Commission on Judicial Performance.
By Fax.

Dear Mary, Ms. Clay, and Commissioners,

Here is the web address you seek to view the two recent videos of my seeking help from the County Supervisors: <http://wp.me/plYPz-3HI>

If you have trouble finding it that way, just search this: San Diego Families call for FBI Investigation

The two videos of January 7, 2014 and February 4, 2014 are linked in this blog, along with the County Board of Supervisors' direction to me to go to the Attorney General.

The documentation is also there that I am being collusively libeled and cyberstalked by SLAPP plaintiffs Veritox, and the "Court Group"; and that I am scared for my safety in this county.

This is in large part because the CJP Commissioners and staff have yet to act to punish the numerous judiciaries, including former CJP Chair McConnell, for racketeering and practicing politics, not law, from their benches, **coram non judice**.

Please let me know as soon as possible when the Commissioners will either do their jobs to protect me and the public from acts of the compromised court officers and company -- or refuse to file formal charges against the judicial racketeers.

I can't file anything with the California Supreme Court until the CJP responds in writing.

As always, should the Commissioners need further documentation to support the allegations of the massive criminality of the matter, I have them available at Ms. Clay's and the Commissioners' request.

Thank you,
Sharon Kramer
